## “PATH TO HEAVEN” FOUND IN KERRVILLE, TEXAS!

**Kerrville, TX** – The “Path To Heaven” is now being installed at THE COMING KING SCULPTURE PRAYER GARDEN in Kerrville, TX. Throughout history, people have claimed to know the way to heaven, but THE COMING KING FOUNDATION (TCKF) has literally carved it in stone! The non-profit art foundation is building a multimillion dollar, 24.5 acre Sculpture Prayer Garden featuring a sacred path to God in the heart of Texas Hill Country, on IH-10.

The installation of the “Path To Heaven” is a major milestone in the 13 year spiritual journey for the volunteer Trustees and visionary Texas artist/evangelist and his wife, Max and Sherry Greiner. The Christian art garden is located about 60 miles northwest of San Antonio, the home of the two top tourist attractions in Texas, the Alamo and River Walk.

The God park is already drawing thousands of people from across Texas, the USA and at least 37 countries, with daily crowds in the hundreds. The Kerrville sculpture park is open every day from 6:00 a.m. to midnight and is free to the public. The largest documented one day attendance was 720, which occurred on the Saturday before Easter 2014. Visitor attendance is increasing despite the fact that the Hill Country tourist attraction is unfinished, due to lack of funds. Since the founding of TCKF in 2004, the 501c3 art organization has agreed never to go into debt, but to instead trust God for the finances needed to complete the ambitious project.

To date, over \$2,000,000 in cash from thousands of donors have been spent on the Christian art project. About \$3,000,000 worth of monumental outdoor sculptures have also been donated by three internationally collected professional artists who are Christians: Beverly Paddleford, David Broussard and Max Greiner, Jr.

Visitors claim they are coming to see the Christ-honoring sculptures, but also to experience the presence and unexplainable miracles of God that are occurring daily at the non-denominational garden park. Thousands of tourists report witnessing miracles, angels, supernatural signs and wonders at the garden. At least nine visitors have abandoned their suicide plans because of their visit to the garden. Four large Prayer Plaques share the Gospel inside the 7' wide space of “The Empty Cross”. This 77'7" tall, reddish brown contemporary sculpture is made of Cor-ten steel. This massive, seven story cross is promoted by TCKF as “The “Most Symbolic Cross In the World.”

On June 20, 2014, Debbie M. wrote on the popular tourism website, TRIP ADVISOR: ***“Wow! How Awesome! This place is truly awesome! The spirit and power of God is so strong, you can physically feel it! An incredible work of art – the Cross and the sculptures are beautiful. I feel like I am walking on Holy Ground there. Take a picture there and see all the ‘angel***

***orbs' – too cool. I also received the 'glory dust'. Don't know what it is but it is awe inspiring! Don't miss this garden."***

On Monday, July 22, 2014, Christian tile setter, Danny Mooney, owner of DANNY'S TILE SERVICE, began the month long process of installing 16" ceramic "Scripture Tiles". The Word of God is being presented in Spanish, English and German, using 77 tiles per language. At the foot of the seven story cross, Mooney first installed what is believed by many to be the most important verse in the entire Bible: "FOR GOD (Jehovah) SO LOVED THE WORLD THAT HE GAVE HIS ONLY SON (JESUS CHRIST) SO WHOEVER BELIEVED IN HIM WOULD NOT PERISH BUT HAVE EVERLASTING LIFE." (John 3:16).

A total of 232 custom engraved 16" ceramic tiles (77 per language) were sandblasted by Christian, Randy Choat, owner of CHOAT PAINTING & SANDBLASTING of Kerrville. The tiles were prepared by other Christians, Jose D. Mendoza and Ryan Huff. Their work was donated by Max Greiner, Jr. Designs.

The 77 Bible verses were selected over ten years from the Old and New Testaments of the Bible by TCKF Trustees. TCKF donor and Biblical Scholar, Dr. Robby Carpenter, DDS, guided the final selection and presentation of the verses. The TCKF version of the scripture is unique, in that it identifies the pronouns in verses, so people unfamiliar with the Bible can easily understand.

The installation of the "Scripture Tiles" by Mooney was made possible by the completion of the 300' cross-shape garden, paid for by a \$125,000 grant from the HAL & CHARLIE PETERSON FOUNDATION of Kerrville. This grant was the fourth given to TCKF by the local foundation. EDMUND JENSCHKE INC. , owned by Christian, Joe Ed Jenschke, completed the major concrete work of the 300' cross-shaped garden just prior to Easter 2014. Funds are still needed to complete the other gardens, fountains, roads, parking lots, restrooms and Visitors Center.

THE COMING KING SCULPTURE PRAYER GARDEN is unique in the entire world. It is the only place in the where the Gospel of Jesus Christ is literally carved into stone, using 77 scriptures, in multiple languages. The garden is the only place where all of Greiner's monumental Christian sculptures will be displayed, including the gigantic 77' tall Resurrection cross. The garden park is a "type" of last days Tabernacle (Amos 9:11 & Isaiah 2:2) and is located at the same latitude as Israel, approximately halfway between the Atlantic and Pacific Oceans. God seekers from across the world are coming to this "Holy Ground", found on a 1,930' hill in Texas Hill Country!
