

## Ambassadors Of The Cross!

We invite you to take a public stand for Jesus Christ by joining **AMBASSADORS OF THE CROSS™** (AOTC). God needs champions to stand up for Christ and the Biblical principles that built this country. Atheists are trying to remove every vestige of our Judeo-Christian heritage from the culture. Others are perpetuating the lie that all belief systems and gods are equal. They are not.

**AMBASSADORS OF THE CROSS™** are born-again Christians who want to reach the world with the love of God and are not afraid to acknowledge Jesus Christ in public. We come from many different Christian denominations and backgrounds: Baptists, Catholics, Episcopalians, Methodists, Lutherans, Pentecostals and many others. We represent a variety of ethnic backgrounds across the USA and world. We are unified in our love for people and Jesus Christ, who is God, our Lord, Savior and Baptizer. Finally, we are united in our desire to lift up Jesus in our world! We are His cheerleaders! Will you join us?

**AMBASSADORS OF THE CROSS™** is the membership division of **The Coming King Foundation** (TCKF), a non-denominational, non-profit, 501c3 art organization. It was created to honor Jesus in public with beautiful, Christ-honoring, Garden "Tabernacles" along the highways of the world. The first prototype **Sculpture Prayer Garden** is being built now on **IH-10** in Kerrville, TX.

**TCKF MISSION:** To establish free **Sculpture Prayer Gardens** across the USA and world, to bring glory and souls to Jesus Christ. Will you help us?

Thousands of people have already been touched by God through **"The Empty Cross"™**, the most symbolic cross in the world. The Cor-ten steel sculpture stands 77'7" tall, on a 1930' hill above **IH-10**.

The symbolic Resurrection cross is the focal point of the Kerrville Garden. People are being saved, empowered, baptized, delivered and healed, even though the spiritual Garden is not finished yet! Documented miracles are happening daily at the cross and people have been transformed by simply visiting the TCKF websites!

Over \$2,000,000 has been spent building the Kerrville Garden to date. \$3,000,000 worth of monumental Christian sculptures have been donated by three internationally collected artists, Beverly Paddleford, David Broussard and Max Greiner, Jr. More donations are needed to finish the roads and parking lots of the 24.5 acre Garden, which is being built without debt or professional fundraisers.

Please, prayerfully consider becoming an **AMBASSADOR OF THE CROSS™**. Talking about **"The Empty Cross"™** and **The Coming King Sculpture Prayer Garden** is a great way to start a conversation about Jesus Christ!

## 300' Garden "Tabernacle"

A 300' cross-shaped garden, twice the length of the original tabernacle of Moses has been built on top of a 1930' hill overlooking IH10 in Kerrville, TX. 77 Bible verses are presented to visitors on 16" "Scripture Tiles" in Spanish, English and German.

A 77'7" Cor-ten Steel Sculpture stands at the top of the Garden. "The Empty Cross" is the most symbolic cross in the world. It represents the Resurrection, the Way, the Door, the Strong Tower, the Mighty Fortress and the Light of the World.

## The Vision

On 12/9/01, Max and Sherry Greiner traveled to **Cathedral Of Praise** in Austin, TX to hear a guest preacher from North Carolina, Dr. Mahesh Chavda. In the middle of his sermon, Chavda turned to the Greiners, whom he had just met, and prophesied they would be involved in the restoration of the Tabernacle (Isa 2:2 & Am 9:11).

Then, on 8/22/02, a stranger from Beaumont, TX, Marlon Quibodeaux, emailed the artist stating that God was calling him to create a 77'7" Resurrection cross sculpture over IH-10. Greiner prayed about the prophetic word and to his surprise received an open vision. Greiner saw a 300' cross-shaped garden with his monumental sculptures in the points of the cross. He saw tourists reading the Gospel on Scripture Tiles in multiple languages, as they approached a giant hollow cross. Greiner saw cars lined up on an access road waiting to get in the Garden.

On 12/3/03, God told Max that he would be given land on IH-10, at the main entrance of Kerrville. On 9/16/05, 19 Prayer Intercessors gathered on the property and asked God for 23 acres and a million souls for Jesus. A 3" scorpion charged a 17" cedar cross Max planted in the ground. Then, almost a dozen Northern Harrier wild hawks began to hover overhead.

The next morning, after receiving the answer to his "fleece", Hershel Reid gave **The Coming King Foundation** \$500,000 to purchase the land. Reid had asked God to show him a hawk if his family was to buy the land for the Garden!

On 12/9/01, Dr. Mahesh Chavda prophesied the Greiners would be involved in rebuilding the Tabernacle.

On 8/22/02, Marlon Quibodeaux prophesied that Max would create a 77'7" Resurrection cross on IH-10 that would bring souls to Jesus.

On 5/6/04, TCKF was formed to build Sculpture Prayer Gardens across the USA and world.

On 9/16/05, 19 Christians asked God to give them 23 acres of land on IH-10 in Kerrville, TX and a million souls for Jesus Christ.

On 11/10/05, Hershel Reid bought the land from Clifford Reeh and gave it to TCKF so the first Garden could be built in Texas.

## The Miracles

The purpose of **The Coming King Sculpture Prayer Garden** is to bring hope, peace, joy and salvation to people, while bringing glory and honor to Jesus Christ.

Throughout history, God has used supernatural miracles, signs and wonders to make His presence known. 2,000 years ago Jesus Christ used miracles to draw people to His Gospel message. The Bible says that God is the same yesterday, today and forever (Heb 13:8). Therefore, if He ever worked miracles He still does.

God is doing amazing miracles in these last days in Kerrville, TX. Though not finished yet, the Holy Spirit is manifesting His presence at the Garden. Thousands of documented miracles, signs and wonders are occurring at the free, non-denominational Christian park. State, national and international TV, radio, internet and print media have covered the story.

People are being touched by God at the Garden. The Gospel of Christ is being shared. People are being Saved, Baptized in the Holy Spirit, physically and emotionally healed.

Thousands of visitors have witnessed the visible Shekinah Glory of God in the form of sparkling dust (Ex 34:29 & Isa 60:1). Figures, the Blue Cloud and round balls of light called Angel Orbs (Ez 1:15) have also been photographed. The presence of God is on the mountain!

"The Most Symbolic Cross in the World" is the site of numerous miracles, signs and wonders.

The Gospel is preached, the sick are healed, many are photographing angels and thousands are witnessing the visible glory of God.

On the pathway to bringing the vision of the Sculpture Prayer Garden to fruition, there has not been an obstacle that God has not overcome. If you want to be involved in reaching out to hundreds, thousands, even millions - who need Christ in their life, pray for the completion of the Garden and give financially if God leads the way." Former Governor Mike Huckabee

"Your wonderful organization is to be highly commended for what it is doing to honor Christ and spread His enduring message of boundless love, peace and salvation. America desperately needs to return to the one true God that our country was founded on! If only every city would follow your lead and Christians would unite in fulfilling 2nd Chronicles 7:14, then our beloved America could be transformed into the godly nation that could, once again, be a magnificent beacon of hope and inspiration in this dark world. May God's divine favor and protection bless your admirable organization always. I look forward to visiting your Prayer Garden. I saw the cross from afar last month. Blessings." Patricia Visser, Tomball, TX

"I felt something coming into Kerrville. It was amazing. I did not know where the cross would be. I have seen thousands of crosses around the world in over 60 nations, but I have never seen an empty cross. It will draw international attention to Kerrville. The Empty Cross will touch the nations. I came 9,000 miles from my home in Finland to see the cross. Sometimes you have to go far to see near. I am praying that every American would see near, pray for this wonderful nation and turn back to God. It really blessed us to be in the prayer garden." Pastor Marti Falck, Tampere, Finland

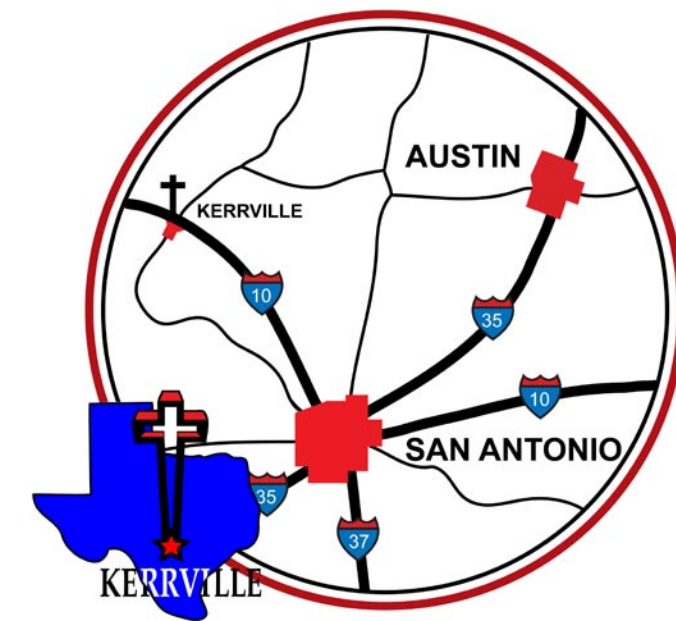

"Something big is up in Kerrville. God is doing something in this town and it is about to explode! Within a 50 mile radius of this cross everyone will be blessed, including the car dealership down below!" Bobby Dendy, Phoenix, AZ
