## GOD'S MAGNETIC CROSS

By Col. Bill Lewis

You may have seen or heard about the 77' 7" beacon and magnet perched high above Kerrville, TX, which symbolizes God's Light and announces to the world that Jesus Christ is risen! *"The Empty Cross"* sculpture draws God's children to the LORD using a stark, simple design that conveys a powerful message. In contrast, the 23 acre **The Coming King Sculpture Prayer Garden** will be as lavish, as the Cross is simple. Come see God's work in progress, as His garden grows into its full beauty.

The first three monumental sculptures are being installed this month at the front entrance of the spiritual garden. Each one has a powerful message. **"THE COMING KING/Bust"** Bronze sculpture was created by Max Greiner, Jr., the talented visionary who God equipped to deliver the message that Jesus is returning in glory. David Broussard's Cor-ten Steel sculpture, **"IT IS FINISHED"**, is a contemporary depiction of the three giant crucifixion nails. A sensitive Bronze sculpture by Wyoming artist, Beverly Paddleford, called **"MARY"**, will also be installed. The artists have donated their valuable artwork to **The Coming King Foundation (TCKF)** for the glory of God.

**The Coming King Sculpture Prayer Garden** is FREE to the public. In 2002, God gave a vision to artist/evangelist, Max Greiner, Jr. to build a beautiful garden to honor Jesus Christ, and bless all who visit. In addition to the Greiners, many other Christians have responded to God's call by donating their time, talents, art, equipment and money.

I believe God selected Kerrville for a reason. One important reason is that many people in the Hill Country community love God. Nearly sixty Christian congregations are in the area. Kerrville is recognized as a friendly city. In the future it will also be known as a Christian family destination, a place of rest and peace that only God can provide.

This project is not a commercial venture. **TCKF** is a non-profit 501c3 foundation. Generous Christians and foundations from across the USA have contributed to the spiritual garden. However, about \$3,000,000 is still needed to complete the project. To date, over \$2,000,000 has been donated and spent on the garden. In addition, \$3,000,000 worth of monumental art has already been donated by three internationally collected Christian sculptors. Currently, funds are needed to build the roads and parking lots. **The Coming King Sculpture Prayer Garden** is being built on faith in God, debt free, without professional fundraisers.

I encourage all who read this article to share this wonderful vision with others. Jesus wants us to be His ambassadors and share His love and promises with the world. *"The Empty Cross"* is a symbol of the sacrifice Jesus made so each of us can enter Heaven and a loving relationship with God.

The Bible records this exchange in the Book of Matthew: *"Teacher, which is the greatest commandment in the Law?" Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.' All the Law and the Prophets hang on these two commandments."*

Come to the cross and see what God has for you on His holy mountain!

Dallas artist, David Broussard is donating his contemporary Cor-ten Steel composition of the three giant nails called *"It Is Finished"*.

Beverly Paddleford of Lander, WY is donating her Bronze sculpture, *"Mary"*. The artist is pictured above with the original clay sculpture.

*"The Coming King"*® Bust Bronze sculpture by Max Greiner, Jr. is being placed at the front entrance of the spiritual garden. Most tourists will not recognize this depiction of a warrior king as Jesus Christ. (Rev. 19:11)

# ANGELS, MIRACLES, SIGNS & WONDERS AT THE KERRVILLE CROSS!

Kerrville, TX – **The Coming King Foundation (TCKF)**, a non-profit 501 c3 art museum organization located in Kerrville, TX reports that since the front entrance to **The Coming King Sculpture Prayer Garden** opened on 7/19/12, thousands of people have visited **“The Empty Cross”**. Many of the visitors have claimed life-changing experiences. Guests have reported witnessing angels, miracles, healings, signs and wonders near this monumental contemporary sculpture.

The open cross is the centerpiece of the Hill Country garden that is being built now on **IH-10** near the town of Kerrville, TX. Located at the same latitude as Israel, and approximately half way between the Atlantic and Pacific Oceans on the Interstate highway, the massive sculpture is drawing 100 to 300 visitors per day.

However, many people are coming because they believe God’s presence is there. Thousands of people have reported being touched by God at **“The Empty Cross”**. Physical, emotional and spiritual healings have been reported along with many other miracles. ***“Something big is up in Kerrville. God is doing something in this town and it is about to explode! Within a 50 mile radius of this cross everyone will be blessed, including the car dealership down below!”***, according to evangelist Bobby Dendy of Phoenix, AZ

Even though the garden is unfinished, visitors are coming from across Texas, the USA and other countries to see the most symbolic cross in the world. Tourists have come from Canada, Mexico, France, Nigeria and Ghana to see the imposing sculpture. The Resurrection Cross is the Strong Tower, the Mighty Fortress, the Narrow Gate and the Door that opens the Way to the Light of the World, Jesus Christ.

After construction of the seven story sculpture, the Cor-ten steel skin was scoured by sandblasting. This process released the reddish brown patina, which symbolizes the shed blood of Jesus Christ. The cross is 77’7” tall, 40’ wide and has a 7’ wide sacred center space, where the Gospel of Jesus Christ presented on four plaques. The base is square like the Holy of Holies in the Jewish Tabernacle and Temple. The cross weighs approximately 70 tons, including the steel in the foundation, which by the providence of God is on Solid Rock.

Thousands of Orbs of light are being photographed at night around **“The Empty Cross”**. These are believed to be the round angels described in the Bible (Ez 1:15) Other humanoid forms have also been photographed by visitors.

**CBS News KENS 5 TV** in San Antonio aired a story on 8/3/12, (<http://www.kens5.com/news/Kerrville-cross-site-of-miracles-164937776.html>) which described some of the genuine miracles occurring around the cross. While doing the interview, the news reporter became part of the story when he was instantly sprinkled with the visible glory of God (Ex 34: 29 & Isa 60:1). This supernatural manifestation, which looks like fine glitter, occurred as **TCKF** President, Max Greiner, Jr. testified to the changed lives, miracles and peace that thousands of people are finding at Kerrville's cross. Millions of viewers saw this news story, which was aired the following week on other CBS affiliate TV stations across Texas.

People seeking a genuine encounter with the real God have been flocking to the Texas Hill Country town, located just one hour northwest of San Antonio. The power of God is manifesting on the 1930' mountain. This non-profit tourist attraction is independent and not owned by any church, denomination or ministry. It is a type of last days "Tabernacle" (Amos 9:11 & Isa 2:2).

The \$2,000,000 steel cross sculpture was donated by artist/evangelist, Max Greiner, Jr., his wife, Sherry, and Monte and Beverly Paddleford, owners of **Eagle Bronze** in Lander, WY. Over a dozen monumental sculptures have already been donated by three internationally collected sculptors, including Max, Beverly and David Broussard of Dallas, TX. Other sculptures are being installed on November 9, 2012. More funds are needed to finish the roads, parking lots and landscaping.

Over \$2,000,000 has been spent on the Garden to date, but another \$3,000,000 is needed to complete the ambitious God project.

Greiner claims the idea for the unique cross sculpture and the 300' long cross-shape garden was given to him by God in a 2002 vision. The entire garden is being built on faith in God without debt, or professional fundraisers.

There will be many reasons for tourists to visit the Kerrville Garden, when completed. In addition to viewing the monumental Christ-honoring sculptures, there will be beautiful vistas, walking paths, picnic areas, wildlife observation areas, waterfalls, world class landscaping that includes Texas wild flowers. Strolling Christian troubadours and artisans will also be found at the park. The primary purpose of this free-to-the public garden is to bless people and bring glory to God.

Large and small donations have come in from supporters across America. On 9/15/12, the **Hal and Charlie Peterson Foundation** of Kerrville presented their second grant to **TCKF**. The \$45,000 grant was used to finish the front entrance, which will display four monumental sculptures, including the **JORDAN RIVER CROSSING WATERFALL**.

The privately owned park is now open to the public seven days a week, from 6:00 AM until midnight. **TCKF** is also giving away to guests free Bibles, literature, water, Cross Decals and audio CDs about the Garden vision. Admission is free, but donations are appreciated.

Thousands of visitors to "**The Empty Cross**" are experiencing a genuine supernatural phenomenon. The visible glory of God (Isa 60:1 & Ex 34:29) is manifesting in the form of fine glitter like dust. It is forming on visitors' hands, faces, clothing and Bibles. This unusual sparkling substance is "not any known element" according to scientists.

## PLEASE CONSIDER CONTRIBUTING TO THIS PROJECT!

We need your help to finish the first **Sculpture Prayer Garden** on **IH-10** here in Texas! The magnificent cross and the main entrance sculptures have been installed thanks to your prayers and gifts. Now we need to build the roads, parking lots and landscaped areas, so this free Christ-honoring park can be finished! The Garden will be a great blessing to the region and will become a major free tourist attraction in Texas.

We estimate that approximately three million dollars are still needed to complete the entire Garden with "first-class", no maintenance, concrete roads and parking lots. More than a dozen Christ-honoring monumental sculptures have already been donated by three internationally collected artists, Beverly Paddleford, David Broussard & Max Greiner, Jr. This art is valued at over \$3,000,000.

Thank you for helping us build this "last days" Garden so others might know the love of Jesus Christ. This soul-winning Garden is being built by the **Body of Christ** without debt. This "**Tabernacle Garden**" will be here when Christ returns! Gifts are tax deductible in the USA and will be acknowledged in numerous ways. **Also, please prayerfully consider becoming an Ambassador of The Cross!**

"In the last days the mountain of the Lord's temple  
will be established as chief among the mountains; it will be raised  
above the hills, and all nations will stream to it. Many peoples will  
come and say, "Come, let us go up to the mountain of the Lord,  
to the house of the God of Jacob. He will teach us His ways,  
so that we may walk in His paths."

Isaiah 2:2 (NIV)
