“OFFICERS’ OFFERING”

By Max Greiner, Jr., TCKF President

Merry CHRISTmas 2019!

On December 9, 2001, the vision of The Coming King Sculpture Prayer Garden was birthed 18 years ago through a prophetic word given to Sherry and me at Cathedral of Praise Church (now Austin Cathedral) in Austin, Texas.

Millions of people have been touched by the 24.5-acre garden vision, in person or through media over the years. This art park is located on IH-10, in the center of Texas, halfway between the Atlantic and Pacific Oceans, at the same latitude as ISRAEL!

cross-shaped garden. The “Path To Heaven” is in Kerrville, TX!

Thanks to you and the LORD, this art park has been built entirely on faith in God without public tax money, borrowing or professional fundraisers!

The multimillion-dollar garden was dedicated on September 13, 2015, Rosh Hashanah, as a type of last days Tabernacle (Isaiah 2:2).

Please give your Tithe (2 Cor 9:7) to your church. However, prayerfully consider making a Seed Gift (Mt 8:26) to TCKF for a multiplied harvest, for

you and the LORD! There is no better field to sow your seed for GIANT Fruit!

The free, 24.5 acre garden has been featured in countless stories on Christian and secular radio, TV, the internet and in books and magazines because the presence of God has repeatedly manifested at the non-denominational art park. The Messiah of the Jews, Yeshua, is honored using sculptures and 77 Bible verses (in three languages) laid out in a 300'

EXECUTIVE DIRECTOR’S VIEW

By Debbie Meszaros

For unto us a child is born, to us a son is given,
And the government will be on his shoulders. (He was born to be
a King) And He will be called Wonderful Counselor, Mighty God,
Everlasting Father, Prince of Peace. Isaiah 9:6

Come and experience the true meaning of Christmas at The Coming
King Foundation. When you are done with all of the things that
Christmas is not, come and experience what Christmas is! Christmas
is Jesus!

Come behold His glory and feel His presence as you walk through
the garden that was built and designed to give Him all the glory
and to lead people to who He is, Savior to all mankind and the one
person who gave you everything so that you can have a personal,
real, tangible relationship with the one true living God who is madly
in love with you!

He calls you by name and cleanses you from all sin and
unrighteousness so you can come unfettered (without chains),
without hesitation into His loving arms.

The devil calls you by your sin, your past and your failures. Jesus
calls you loved, blessed, redeemed, and beautiful, sons and
daughters. Come and commune with the one who gave you
everything so you can live a blessed life with Him as your Savior,
Father, Redeemer and friend.

If you have never felt this kind of love – He would say
to you “come”.

Merry CHRISTmas!

FOUND MAPLES

Near Vanderpool in the Texas Hill Country, 52 miles away southwest of Kerrville, is one of the most popular parks in Texas called "Lost Maples State Natural Area". Approximately 200,000 people a year visit the wilderness area to see a small stand Bigtooth Maple trees. God told TCKF founder and

artist, Max Greiner, Jr. to plant 50 Maple trees at The Coming King Sculpture Prayer Garden and name them the "Found Maples". Christians, Bryan and Stacie Hutzler, owners of Love Creek Orchards in Medina, TX donated the 42 Maple trees that line the 300' cross-shaped garden.

MIRACLES, SIGNS & WONDERS

The Bible says that miracles, signs and wonders follow those who believe (Mk 16:17). Since the cross went up on July 27, 2010, literally thousands of documented miracles have happened at this "type" of last days tabernacle (Isa 2:2), including healings, angel manifestations and the Shekinah Glory Dust.

"A Holy Place. This holy garden is fantastic. Very beautiful place with well done sculptures and large cross. As I walked the area, I felt all my tensions and problems disappear and a calm come over me. Would have liked to stay longer. They are continually improving the area and will definitely visit again."

Tim L., Crane, TX

"Thank you! Our 5th time here, friends and family, it is the best part of the trip to San Antonio."

Sylvia Williams, Helotes, TX

"FINDING GOD! Whenever I visit this place, I can totally feel the strong presence of God flowing through me. When I see the statue of Jesus on the white horse, I feel compelled to fall on my knees! That statue is so intricately detailed that it even shows the veins on the horse! As I walk through the prayer garden, stopping to read what someone has wrote from the depths of their heart, I am enveloped in a spiritual experience. Standing under the 77 ft. 7 in. open cross and raising my hands to heaven, I can feel the electric power of God! I highly recommend this place as a place of solitude and meditation with the Lord or as a place to bring your friends and family."

"I want to comment on how beautiful and serene it is here. Truly the Spirit of our Father, Abba, and Savior is here. I pray that I would continuously feel His presence and peace as I do at this moment. I pray that all who come here, leave with a hunger and thirst for seeking and serving our Father and that they can do His will in our lives until our time comes to receive eternal peace."

Rose Perez, San Antonio, TX

"Everyone should experience this at least once. We first found this jewel a few years ago, and every time we've come back they've added something new. Someone has a vision and they are steadily making progress towards accomplishing it. Fountain/baptismal pool is beautiful, bronze sculptures are amazing, it is quite a spiritual experience."

Kris T., Cleburne, TX

"The story of this sacred area is a beacon of hope for all of the lost souls who have yet to discover a relationship with God. I was lost, but since being Saved and establishing that relationship, He has brought into my heart and life – so many beautiful places and things. This place is definitely one of them! I pray that people find peace and God's unconditional love."

Casandra Gonzales

"To The Coming King Foundation: I am from Colorado Springs, CO and was recently visiting my sister from Georgetown, TX, who has visited the Garden several times. She was so amazed at God's powerful presence each time she was inside the Cross, and was excited to take us there. We visited on October 15, 2016. Before heading to Texas, I had a biopsy appointment on my thyroid glands canceled due to being on pain meds for a broken arm. It was rescheduled for October 20th, when I returned. Inside the Cross, God healed my thyroid glands and my broken arm, as we prayed in the Spirit. All praise to our Healer! My thyroid biopsy was benign and my arm had no pain. I am still awed at Max Greiner's obedience to God's detailed plan for this place of Miracles."

Nancy House, Colorado Springs, CO

"This is the most amazing place I have ever been."

Beverly Lanier, Arkansas

"A Place of Peace and Presence! We have been to the Garden many times now and each visit delivers the same response from us of awe! The beautiful surrounding view, the giant cross, the beautifully crafted sculptures, the many prayers written on rocks, and the Scripture tiled path, all lead your heart and eyes in one direction to the King of kings and Lord of lords! This is a peaceful and beautiful place to visit. I always find a quiet spot to pray and just enjoy the presence of our living and mighty God. The worship music playing in the background helps me to draw closer into Him in worship. Both my husband and I have had unique experiences here of knowing the touch of God. We have also had the pleasure of meeting and praying with the sculpture artist Max, which gave us a very good sense of the true heart and passion behind the making of the garden. Since discovering this place we have taken friends to see it and plan to bring more friends in the future. May God continue to bless this vision of reaching people with the message of Christ!"

LIVES FOREVER CHANGED

CROSS MINISTRY

by Weldon Baker, TCKF Trustee

One of my most amazing divine appointments occurred on June 17, 2017. I am Weldon Baker, a Lutheran Christian, former TCKF Treasurer and currently serve as a Trustee and Tour Guide Chaplain for The Coming King Foundation.

My divine appointment began when Christian, Les Huff, a longtime supporter of the garden came up to me and said there was a young man in urgent need of prayer. Several of us went over to him as he knelt on the crushed granite gravel with bleeding knees, facing *"The Empty Cross"*.

I asked him to share his pain and need. He was holding his side and stated that he was in intense pain, but he did not want us to take him to the Emergency Room.

With tears running down his face, he said that Jesus needed to Save him and relieve the pain in his side. The young traveler said he needed to return home to his wife and eight

children! The man said ***"I have a bus ticket to go back home that leaves Kerrville in an hour, but I need forgiveness and cleaning from my sin. I want and need to be Baptized!"***

So, I took him under *The Empty Cross* and went through his declaration and submission to Jesus Christ. He

received Jesus as Lord and Savior at that moment. Afterwards I was honored to Baptize him in the Holy Spirit.

Then he wanted to be Water Baptized at The Coming King fountain. The wayfarer came out

of the Living Water and said: ***"What just happened? My pain is gone!!!"***

I told him, ***"You know!"*** He raised his arms and thanked God for his miracle and blessing! The father made his bus connection and returned to his family a New Man!

Thank you Jesus! My prayer for the stranger was answered in a short time!

"YOU WILL SEEK ME AND FIND ME WHEN YOU SEEK ME WITH ALL YOUR HEART."
Jeremiah 29:13

TESTIMONIES

The Story Never Ends!

Only God Himself knows all the stories happening at Kerrville garden! TCKF tries to document the many miracles and testimonies that are happening to thousands of people from around the world. God uses our personal testimony to encourage others to seek Jesus in their own lives.

If you have a testimony from God's Tabernacle Garden, would you please email it in writing to the TCKF office? Please send photographs if they are available. Always include the basics of a good news story: Who, What, Where, When and How! Your testimony for Jesus Christ might be included in our next *"FIRE ON THE MOUNTAIN"* newsletter, with your permission!

Testimonies including changed lives, Salvations, Baptisms in the Holy Spirit or in water are great. Emotional and physical healings are also wonderful. Deliverance from drugs, alcohol, prostitution, sexual abuse, crime, gang violence, false religions, witchcraft, depression and the spirit of suicide are testimonies that will inspire others to seek Jesus Christ for their healing. Modern-day miracles, signs and wonders are fantastic! Anonymous testimonies are welcomed.

If you haven't experienced God's garden yet, visit the TCKF websites. Then, come in person! Let the Holy Spirit write a story for you!

HOW CAN THEY KNOW IF THEY DON'T HEAR?

AMBASSADORS OF THE CROSS

by Susan Casey, TCKF Trustee

How can we be an Ambassador Of The Cross?

I discovered The Coming King Prayer Garden in September 2014. The Garden itself was just taking shape back then, but the presence of the Lord was tangible. I felt it so strong.

I had never experienced anything like it before! After that first experience, I could not get enough of being in God's presence! I was so hungry for change in my life. I instinctively knew I needed what only Jesus could give me!

I have driven from Austin, TX to the Garden over 70 times since that first day! After that first trip I realized I needed to give this gift away! I would bring new people with me to the garden from the Austin area each time I came.

Once you have an encounter with God, you will never be the same! When you have an encounter you learn quickly that Jesus really does Save, heal, restore and revive! Christ makes all things new!

My life now reflects each of these discoveries! On The Coming King Sculpture Prayer Garden mountain, unlike anywhere else, I bring Jesus my hurt, my pain, my sadness, my anger, my joy, my hopes and my

victories! Just like the woman at the well who encountered Jesus and then ran to tell people in her town what she found, I am doing the same (John 4:28-29)! I am that woman!

How can we be good ambassadors of the Cross? Someone once asked John Wesley how he was able to attract such large crowds with his preaching. Wesley is credited with

saying "I simply set myself on fire and people came to watch me burn!"

That is how we can be a good ambassador! We should share the fire we have for Jesus! Ask people if you can pray for them. Listen

to what's going on in their life. Let them talk and let them know you care.

Then, ask them if they will "come see a man" at the Coming King Prayer Garden!!! Invite them to come and encounter Jesus, His Holy Spirit and the Father! When you encounter Jesus Christ for yourself you are "made new". The joy, peace and excitement becomes a part of your daily life! How can we not give that away? "Come see a man!"

Merry CHRISTmas and may this be your season to encounter the living God in a truly intimate way!

"USE THE COMING KING SCULPTURE PRAYER GARDEN AS AN EXCUSE TO TALK ABOUT JESUS!"

GOD HAS CALLED US TO SERVE AT HIS GARDEN

TCKF TOUR GUIDE CHAPLAINS

by Jeff & Barbara Anderson, TCKF Fire Marshals

When guests arrive at the 24.5-acre Sculpture Prayer Garden in Kerrville for the first time, most are surprised and amazed. Virtually everyone perceives something holy about the mountain, though they may not be able to explain their feelings. Sometimes guests come in groups and other times they are alone. Many people are in need and others are just sightseeing. Some visitors want to be alone with God while others are hoping to receive prayer from a follower of Jesus Christ. The needs of visitors are diverse.

Shortly after "The Empty Cross"™ 77'7" steel sculpture was erected in July of 2010, TCKF quickly realized that the Holy Spirit wanted Believers to assist Him at times in doing ministry and serving sojourners. Though the evangelistic art garden was designed by artist evangelist Max Greiner, Jr. to be "self-service", everyone quickly recognized the need for volunteer Chaplains and Tour Guides. It was decided that these two roles would be combined to best serve the people. These special Christian volunteers would be called Tour Guide Chaplains.

**"THE RED APRON
SYMBOLIZES
CHRIST'S BLOOD
AND OUR SERVICE
TO THE ONES
SEEKING HIM.**

1. Why are Tour Guide Chaplains needed?

The Holy Spirit draws visitors to "The Empty Cross"™, who have needs for more of Jesus Christ in their lives. The Holy Spirit leads by lighting a spark in visitors' hearts. God also calls some Christians to serve as Tour Guide Chaplains at the Tabernacle Garden, to fan the flame of the Holy Spirit's FIRE, for the benefit of each visitor and the glory of the Lord.

2. What do Tour Guide Chaplains Do?

Tour Guide Chaplains serve our Father in Heaven and His children. They provide tours, answer questions and pray. They provide insights

about garden history, artwork, symbolism and share personal testimonies. These genuine Christians can also lead visitors to a saving relationship with Jesus Christ and can perform Water Baptisms. These men and women also encourage Born-again believers to be fully empowered through the "Baptism of the Holy Spirit" experience.

Tour Guide Chaplains also listen and lead visitors in prayers for forgiveness of family members,

TCKF TOUR GUIDE CHAPLAINS

The Coming King Foundation has trained and certified selected Tour Guide Chaplains to serve guests who visit The Coming King Sculpture Prayer Garden in Kerrville, TX. These volunteers, from different Christian denominations, are trained to function as both tour guides, and Christian chaplains. All TCKF Tour Guide Chaplains know the basic story of the garden and the Gospel of Jesus Christ.

The red servant's aprons are presented to qualifying candidates upon completion of their basic training. Each new Tour Guide Chaplain is set in place by TCKF Trustees and the TCKF Fire Marshalls, who lead this group, who are referred to as the "TCKF Volunteer Fire Department". These Christian volunteers carry the love and fire of God in their bones and on their heads!

TCKF Tour Guide Chaplains are available for free, scheduled garden tours and Water Baptisms in the "Living Water Fountain". Tour Guide Chaplains are always available for prayer. friends and others from painful circumstances. They listen and lead visitors in prayer to receive victory over fear, illness and obstacles in their lives through God's grace and the finished work of Jesus Christ on the Cross. These Christian leaders pray specifically for physical and emotional healing needs acknowledged by visitors. The people are encouraged to go forth and serve the Lord in their respective places of life.

3. Why are TCKF Tour Guide Chaplains Commissioned? The Commissioning acknowledges before God their commitment

to serve visitors at The Coming King Sculpture Prayer Garden, through the fullness of the Holy Spirit.

Eleven new Tour Guide Chaplains experienced the privilege and joy of Commissioning in 2019. The Commissioning Ceremony connects the spiritual significance of the artwork and imagery displayed at the Garden Tabernacle with the responsibilities and commitments of each Chaplain. Please pray for each TCKF Tour Guide Chaplain to perform their ministry of love through the power of The Holy Spirit.
