

LET HOPE ARISE

Now may God, the inspiration and fountain of hope, fill you to overflowing with uncontainable joy and perfect peace as you trust in him. And may the power of the Holy Spirit continually surround your life with his super-abundance until you radiate with hope!

ROSH HASHANAH

Sound the Trumpets

This is our fifth year of hosting Rosh Hashanah at The Coming King Sculpture Prayer Garden. I feel a special stirring of the Holy Spirit as I prepare for this particular celebration on Sept 15, 2023. We are in a unique time in history with many troubling things happening both in the spirit and in our world. BUT, more importantly, wonderful things are also taking place! God is speaking and moving and God's move trumps anything of the enemy! So, get ready for what He IS about to do!

Rosh Hashanah, also called the Feast of Trumpets, begins on September 15th and ushers us into the season of the Lord's Feasts. These feasts are "APPOINTED TIMES," set by God. Consider these to be like "scheduled calendar appointments" that God Himself established so that we would come close and meet with Him! These are times of consecration, setting yourself apart, and gathering together as a holy assembly. These feasts are a rehearsal for the real thing – the Marriage Supper of the Lamb when we will feast at His table for eternity.

It WAS and IS God's desire to meet with His people. These are HIS Feasts. He is the host and you and I are His guests, invited to feast with Him....to "Taste and See that the Lord is Good!"

Rosh Hashanah is known as the "head of the year" or "new year." It is one of the high holy days in the Jewish calendar. The first day of Rosh Hashanah begins with the "Day of Blowing"—the blowing of the trumpets, or the sounding of the shofar.

The trumpets were to keep God's times and seasons in the people's heart. The sounding of the trumpets (shofar) was

to wake the people up, put them on alert, and get them into position to assemble and hear the Word of the Lord and receive their instructions. In the Bible, trumpets (shofars) are used as an acclamation of joy or as a battle cry! To praise with joyful sound or to raise a war cry and sound the alarm! Trumpets were used for various callings in Israel such as to call the assembly, to move out, and to call to worship.

The sound of the trumpet clears the atmosphere. It scatters the enemy. It calls heaven to earth and brings supernatural

heavenly order. Trumpets symbolize God speaking to us NOW in the Spirit about earthly and spiritual matters.

Let us have ears to hear the summons of the Spirit to awaken to what He is speaking and doing and align ourselves with it. I sense that THIS Feast of Trumpets announces and releases a fresh, powerful move of the Holy Spirit in our lives and on earth!

This Rosh Hashanah marks Israel's New Year 5784. The prophetic meaning of 5784 in Hebrew is "Open Doors!" JESUS IS THE DOOR and He desires to speak to us and reveal things to come! Rev. 4:1 says, "After these things I looked, and behold, A DOOR standing open in heaven. And the first voice which I heard was like a TRUMPET SPEAKING with me, saying, 'Come up here, and I will show you things which must take place after this.'" That

is the significance of this Friday, September 15th! It is an opportunity for us to come up higher and celebrate our King and His new year!

I hope you will join us...and bring your shofars! There will be lots of shofars trumpeting at our service! Come be saturated in the Word and His presence as we worship together!

COMING SOON!

DIRECTOR'S CORNER

By Debbye Meszaros

The October 14, 2023 **annular eclipse** is a major event that we here at The Coming King Foundation have been anticipating for well over a year now. Because of its closeness to the very rare April 8, 2024 **total solar eclipse**, these eclipses

present a major sign and wonder from GOD. The paths of the two eclipses will make an exact X over Kerrville and the Garden where "The Coming King" sculpture and the 77'7" "Empty Cross" are located.

*And I will show wonders in the heavens and in the earth: Blood and fire and pillars of smoke. The sun shall be turned to darkness, and the moon into blood, before the coming of the great and awesome day of the Lord. And it shall come to pass that **whoever calls on the name of the LORD** shall be saved...* Joel 2:30-31

More than just being an occurrence in the natural, our Divine Creator GOD is making Himself known to those who are waiting with great anticipation for His return!

As the magi of old traveled a great distance following the bright star that led them to King JESUS, people today are

planning to travel great distances to see these signs and wonders that still point to JESUS, THE RETURNING KING and LORD OF ALL CREATION!

As you witness the eclipses, know that JESUS wants you to know Him personally, accept His sacrifice, and live your life fully in Him. Beloved, take note that time is short, and He is coming soon!

Therefore, My people shall KNOW MY NAME; Therefore they shall know in that day that I am He who speaks: "Behold, it is I." - Isaiah 52:6

A new feature being constructed in the Garden, is a "Names of God" wall located behind the Cross declaring the many names of who GOD is. It is hoped that as you read each name you will take the time to feel His Presence, see Him in a new light, and open your understanding that He is life for you! Let Him empower you to KNOW that He fights for you and that His desire is that you KNOW Him!

The magi came with gifts! Gifts fit for a King! What can you bring to Him – yourself. As you learn about who He is, you will be transformed, empowered, healed, delivered and set free! Then you will be ready to follow JESUS' command to occupy the earth and be about the Father's business until He returns! Your place of authority in JESUS will be in your family, your workplace, neighborhood, community, church, city and nation! (See Matthew 28:18-20)

NAMES OF GOD Wall – Building an Altar to the Lord

Have you been to the Garden recently and wondered about the wall behind the Empty Cross?

We are excited to announce that TCKF is working on building a Names of God wall, which will be our "Altar to the Lord" just behind the Cross!

All throughout Scripture, when someone encountered the Lord in a specific way, they would honor the Lord by building an altar to Him and then worshiping Him. It began with Abram, then Isaac, and Moses. In Exodus 20:22-25, "The Lord told Moses to build my altar wherever I cause My Name to be remembered, and I will come to you and bless you." Joshua later renewed The Lord's covenant by building an altar to the Lord, as did Gideon, Samuel, Saul, David and Solomon. And finally, in the midst of oppression and great darkness in the land, the prophet Elijah emerged

in his day and took a stand and rebuilt the altar to the Lord that had been torn down.

Similarly, in America, beginning in the 1960's, a movement began to take God out of our schools, our government buildings, and public places that once honored God in our nation. On January 12, 2023, TCKF voted unanimously to "build" an altar to the Lord and make this a monument that will forever honor and declare God's Holy Names!

Max Greiner crafted a model replica to cast the vision of what the wall will one day look like. The speed with which we are able to complete this wall depends entirely on donations.

For more details about this project or if you want to sow into the creating of this "Names of God" wall, please see page 9.

YOU'RE GOING TO MAKE IT

How do you serve in the Garden? I work for The Coming King Foundation as an Administrative Assistant and am training to be a Tour Guide Chaplain for the Garden.

Where are you from? I was born in San Antonio, grew up in Texas, but lived in Oklahoma for the majority of my adult life. My husband, Jeff, worked in oil & gas, allowing us to travel a lot for his job.

How did you meet Jesus? I have been in church my whole life! I was raised in church, and at 5 years old I asked Jesus into my heart. I've been having encounters with Jesus and the spirit realm since I was very young, having dreams and visions. At 9 years old I received the gift of tongues. I have always loved Jesus! He has always been very close to me which was the only way I survived childhood trauma. Jesus never left me!

How did you find the Garden? Jeff and I came to Boerne for a wedding in 2017 and drove by the Cross. When I saw it, I just had to go! So, my mama, cousin and I went, and I absolutely loved it! I could feel the peace and the love of God as I walked through the Garden. Then earlier this year, a dear friend recommended me for this job. As I drove up for the interview, I just laughed when I realized where I was and that I would possibly be working at the foot of the Cross. God is so good!

Biggest influence in your life? I was raised with strong godly women. My mother and great-grandmother were intercessors, so I watched and heard them pray for everyone and everything! I also learned early in life that a lot of people profess to be things, but their actions don't line up with their words. I am so grateful the Lord put me around strong authentic women.

Lowest time in your life? There have been many lows starting when the enemy tried to kill me in the womb. I have had to navigate through minefields of abuse from men throughout my life...BUT GOD! Then, in 2014, the Lord redeemed the first 50 years of my life when I met Jeffrey! Nine months after our first date, we married!

SERVANT OF THE KING

Kimberly Tripp

He was the absolute love of my life, and the one I had prayed and believed God for. Then in 2021, our life pivoted 180-degrees. In September of 2021, I was hospitalized with covid pneumonia and one week later, Jeffrey was admitted to the same hospital. On October 2nd, I was released to go home from the hospital, but on October 27th, my Jeffrey went home to be with Jesus. I was completely shattered. This period has been the lowest time in my life and the most difficult to navigate.

Where was God during this low point? He was right there. He held me, He enveloped me...He never left me. I felt His peace. I was shattered but overjoyed with this "gift" of His closeness. I often thank the Father for allowing me to go through all of this, because when I sit with someone who is broken, who is "in" trauma, I listen and can understand, and I can honestly tell them, "You're going to make it"... because I made it. It is only by His love and goodness that I am here today!

What do you want people to know about Jesus? To say "Jesus is Love" is so simple, but the reality is that He loves you so much! He's not willing that any should perish. His heart is for us to choose Him. How deeply He loves you! He weeps right along with you when you're hurting. He longs to bring you into life, true life!

Favorite verse: Matthew 11:28 – *Come to me all who are weary and I will give you rest.*

SERVANT OF THE KING

JESUS LOVES ME THIS I KNOW

How do you serve in the Garden? I serve on the current TCKF Board and also assemble the brochure packets that we give out to visitors. I'm 84 years old and have served in many roles. In the early days, Max made me treasurer, but my job was to ask for money, because we had none, so I went to every business in Kerrville asking them to support the Cross. I also volunteered in the Garden and even back then, I was considered the "oldest fire engine in service" among our small group of volunteers. Max would call me when someone at the Cross was talking about killing themselves, and he'd ask me to go. I lived close, so I went. I had no fear. Back then, mostly men volunteered, and this was before there was a gate, but I had a clear heart that the Lord was in this request, so I'd go. I knew Jesus was there.

Where are you from? Missouri. I met my husband Bill in Kansas City, where he had a business, and we lived for many years. Bill was originally from Austin and later in his career he wanted to return to Texas, so we moved to Kerrville, which is how I came to Texas.

How did you meet Jesus? I grew up in a small town and went to the Methodist Church. I was baptized at 12 years old and became a member of the choir, then led the choir, and taught Bible school. I've always been with Jesus and He's always with me!

How did you find the Garden? When we moved to Kerrville, I started going to a ladies Bible study at the Assembly of God church. The Cross was up, and the leader of the study wanted to study God's Word at the foot of the Cross, so she had us bring folding chairs up the hill for the study. That's how I was introduced to the Cross. There was only the Cross, in a field, with a gravel parking lot, and a shed that held brochures, and lots of fire ants.

Biggest influence in your life? My mother. She was the oldest of 7 kids and from a wealthy family, but then "The Crash" (stock market crash) happened in 1929 and she took care of her siblings by going part time to beauty school and working 6 days a week. My Dad was a traveling salesman and was gone during the week and came home on weekends. I'm an only child, born in 1939. She was an amazing woman. She had so much patience and she talked about Jesus like he was right next door.

Lowest time in your life? When Bill died a few years back.

Where was God during this low point? He was with me and He let me know Bill's time had come. Right before Bill died, he accepted the Lord in his life, literally! There were 40 of us in Bill's hospital room, when a friend asked, "Bill, will you accept Jesus as your Lord and Savior? If you do, squeeze my hand 3 times." Bill squeezed his hand three times and then he was gone.

What do you want people to know about Jesus? That he is real. It's not a story. Bill thought church people "used Jesus" to do what they wanted and make you do what they wanted. He had that view most of his life. I never pushed him. He watched as I went to the Cross, but he kept his distance. I want people to know Jesus is as real as the air we breathe!

Favorite verse: I have so many verses I could share, but a song comes to mind, "Jesus loves me this I know." Jesus loves me. It's the most consoling thing. It's childish, but it is so childish that the TRUTH can penetrate your heart. It's the most poignant point for people to understand, Jesus loves you!

SOLAR ECLIPSES
Signs in the Heavens!

Why did an "Anomalous Solar Eclipse" (10/14/12) and a "Total Solar Eclipse" (4/8/12) intersect over Kerrville, Texas? God marked this spot because His presence is here, halfway between the Eastern and Pacific Coasts, on 10.14, the same date as 1666, the year the sun was first seen in the same area as the 1954 solar eclipse. The sun, the 24th most symbolic cross in the world and most erected at the Coming King Garden in Kerrville, Texas, 24.5 miles from the center of the top 10% of tourist attractions worldwide, according to TripAdvisor, 24.5 miles south of an historic Gold mine.

Why did over a million people come from over 100 countries to witness the eclipse before the sun came in Kerrville?
It is a type of natural phenomena, a portal into the spiritual realm that will appear in the days of the prophets, daily when miracles, signs and wonders are commonplace.

It is true signs in the heavens predict events on earth? Yes, God uses the signs of the heavens to foreshadow and forewarn the return of Jesus, Jesus Christ.

What does this mean to you at this time in history?
They point to the end of time and the return of Jesus, Jesus the Messiah who will appear in the days of a warrior on a white horse, to judge all who have rejected Him.

Why is violence, murder and immorality rampant today?
Humanity has rejected God and His commandments. The world is filled with sin, violence, murder, immorality, adultery, homosexuality, drug use, alcohol, pornography, violence, war, nuclear weapons, global warming, environmental destruction, and more. The world is in a state of rebellion against God and His commandments. The world is in a state of rebellion against God and His commandments.

Do we have a purpose on this earth?
Yes, the Bible says that every person has a purpose and a destiny. They must be willing to embrace God's destiny. They must be willing to embrace God's destiny.

Is there any hope for mankind?
Yes, there is hope, and His name is Jesus, Jesus Christ.

A NEW HIKING PATH

Finally, one of the early features of the Garden vision is now coming to pass after 18 years! A new hiking path, located right below the top parking lot of the Garden, has been my dream since God first gave us the property on IH-10 in 2005. At that time, I believe God showed me the layout of the entire site. The Holy Spirit revealed the exact location of the 300-foot-long cross-shaped garden, "The Empty Cross"™ sculpture, the massive, "Lion of Judah" Ten Commandments Monument, and a shaded, 1/4-mile-long walking trail just below the crest of the 1,930-foot hilltop.

This great trail is being donated to TCKF by the L.F. and Carla Perry Foundation of Olney, TX for the enjoyment of Garden visitors. Jenschke Construction of Kerrville, who has done most of the heavy construction at the Garden, is currently building this new walking trail.

The crushed granite path basically runs level, from east to west, and goes from the lion monument on the east to the northwest side of the Garden. There are five access points to the new trail, providing safe access on the steep hillside, which now has concrete walks and stairs to reach the level, crushed granite path, halfway up the mountainside. A magnificent set of concrete stairs will connect the top parking lot to the path and then to the parking lot below.

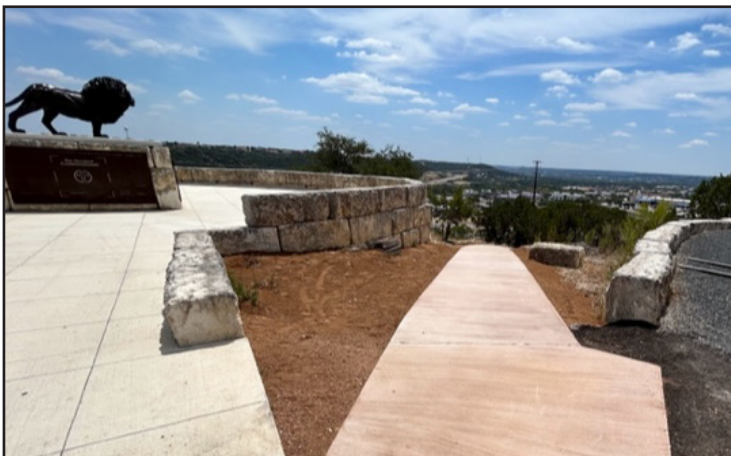

We believe this new walking path will draw thousands of exercise and hiking enthusiasts to the Garden. They will enjoy a safe, scenic and shaded place to walk or run, all year. Like the entire 24.5 acre spiritual park, this new "Perry Path" is absolutely free to the public, thanks to Mrs. Carla Perry and her family. We are grateful. - Max Greiner, Jr.

The Coming King Sculpture Prayer Garden is Good Ground

CHAIRMAN'S CHALLENGE

By Max Greiner, Jr.

Astounding things are happening in our own time which point to the approaching Rapture of the church (1 Th 4:16) and the return of Christ in wrath (Rev 19:11). All the different signs (good and bad) have now been fulfilled, according to most Biblical scholars. It is very disheartening to see evil advancing on every side at such a fast pace against God's children, the Jews and the Christians.

History documents that the nation of God's chosen people, Israel, was reborn as a nation in a single day, on May 14, 1948, just as predicted (Isa 66:8). The Bible says that the generation alive when Israel was reformed will not all die before the return of the Messiah (Mt 24:34). Jesus/Yeshua is coming on a white horse as the King of Glory to make war on all those who have rejected His love and harmed His children (Ps 9:8).

On this "great and terrible day of the LORD" (Joel 2:31), Jesus won't have a smile on His face. Instead, He will have "fire in His eyes" (Rev 2:8)! This harsh expression was required of me by the Holy Spirit when I sculpted my 18' tall, life-size (105%) "The Coming King"® sculpture back in June of 2000. To my knowledge, I am the first artist in history to depict this stern facial expression of Christ atop His white stallion. This face makes many people very uncomfortable. Sorry, that feeling is called conviction. The Holy Spirit wants all people to understand clearly that the LORD is not coming back as a gentle, sweet little lamb, but as the mighty warrior, the Lion of the tribe of Judah! You want to be with Him, not against Him on that "terrible" day!

Most Biblical scholars and modern-day prophets agree **ALL** of the required signs of Christ's return to earth have finally been fulfilled in this generation. Time is quickly running out for mankind to repent and turn to the cross. How long can a righteous, loving God watch mankind "legally" murder little babies by the millions in the womb and sexually abuse

and mutilate other little children by our enlightened society? Judgment is coming to the earth.

Therefore, since the time is close, could it be possible that one of God's last days celestial signs in the heavens (Acts 2: 19-21) is the coming intersection of two rare Solar Eclipses, right over the top of "The Empty Cross"™ seven-story sculpture at The Coming King Sculpture Prayer Garden in Kerrville, TX?

We already know that this physical location on the planet, which is at the same latitude as Israel, is very special to God. The supernatural evidence is indisputable. In addition to looking like the Holy Land, with its arid vegetation, topography and limestone rock formations, genuine documented miracles and signs and wonders have been repeatedly occurring on this 24.5 acres of Texas Hill Country land.

Over a million people from around the world have now visited this holy mountain seeking God's help, salvation, baptism, healing, and deliverance. Miracles have happened to

thousands of people at this "type" of last days Tabernacle (Amos 9:11 & Isa 2:2). Thousands have experienced the sparkling Shekinah Glory Dust (Ex 34:29 & Isa 60:1) on their clothes, faces, hands and Bibles. The supernatural, unknown substance, which has been tested by scientific laboratories, looks like fine glitter. Thousands of strange balls of light, thought to be angels (Ezk 1:15-22), have been photographed and video-taped flying through the air by Garden visitors on this holy mountain. Many Christians believe this precise physical location is a portal into the heavens where angels ascend and descend (Jn 1:51).

Millions more people have seen the 77'7", historically unique, hollow cross sculpture from IH-10, the transcontinental interstate highway which connects California to Florida. Tens of millions more have learned about this unique, Christ-honoring garden from the media: TV, radio, magazines, newspapers, websites and social media.

By the sovereignty of God, this non-denominational, spiritual art garden (which is not a church or ministry) is in His "cross-hairs!" And, the Holy Spirit is aiming for the heart of this last generation!

Therefore, I believe the paths of the October 14, 2023 Annular Solar Eclipse and the April 8, 2024 Total Solar Eclipse

are not an accident...God doesn't do accidents. Only the Creator of the universe could "mark the spot" over the top of "The Empty Cross"™ where the paths of the two separate solar eclipses would make a "giant cross" in the sky!

The Annular Solar Eclipse, occurring first, is called the "Ring of Fire" eclipse by scientists because of the glowing crown rim of brilliant light that will be observed. It symbolizes Jesus Christ who will first be seen as the Coming King wearing a crown. The Messiah is calling His bride (the church) at the Rapture. Then, Yeshua later returns with the "Bride of Christ" on white horses to execute judgment on the earth. This complete "blackness" is represented by the second eclipse, the Total Solar Eclipse. Pro-life attorney, Allan Parker, was the first Christian to share this symbolism with me.

And, if the previous August 21, 2017 Total Solar Eclipse is considered, a perfect "Aleph" symbol is formed over the USA by the three rare, consecutive American Solar Eclipses. The Aleph is the first letter of the Hebrew alphabet, a "type" of signature or logo of God Almighty! No one but the LORD is able to create this kind of celestial sign in the heavens! God wants the eyes of America and the world

to focus on His cross. Mankind must repent now, starting with His church.

Sherry and I believe that The Coming King Sculpture Prayer Garden is indeed one of the Holy Spirit's last days strategies to save millions of "unchurched" people from their sins. Lost people will go to a free art garden on the side of the highway who would never enter a church, read a Bible or watch Christian TV. (One of the little-known names of God is "Jehovah Sneaky!") Pray saints, for a GREAT harvest of souls!
