## THE KINGDOM ADVANCES!

Thousands of people from around the world claim the presence and power of Almighty God is manifesting on a 1,930' mountain in the Texas Hill Country. Spiritual transformations, miracles, signs and wonders are happening daily at The Coming King Sculpture Prayer Garden in Kerrville, TX. The free, 24.5 acre park is located at the same latitude as Israel, approximately halfway between the Atlantic and Pacific Oceans on IH-10. Thousands of lives are being changed by God on this holy hill, 365 days a year!

People are coming to the non-denominational garden for many reasons. Some are coming to see 2.3 million dollars' worth of donated Christian art. Others are coming to see beautiful landscaping and scenic views.

However, the main draw is the manifest presence of God. The unfinished spiritual park is being built on faith in God, without debt by thousands of Christians, from all denominations. The Body of Christ has unified around the 77' Resurrection cross. This is the “GARDEN REVIVAL”!

Hundreds of thousands of people have visited The Coming King Sculpture Prayer Garden since it was opened to the public in 2010. Thousands claim to have experienced the power and presence of God, many for the first time.

On June 6, 2016, newly elected Kerrville Mayor, Bonnie White, visited Kerrville's top tourist attraction and prayed for it's success.

People are now flying in from other states and countries to see Kerrville's Sculpture Prayer Garden. On July 29, 2016, Dwight Johnson and Ted Beckett flew from Colorado just to visit the Texas spiritual art garden.

## TOURISM

The Coming King Sculpture Prayer Garden is the top year-round tourist attraction in Kerrville, and is considered by many to be a national landmark. This claim is based on visitor attendance from around the world, and national and international publicity in all media. The garden has been featured in hundreds newspapers across the USA, thanks to numerous Associated Press articles. Magazines, websites, social media, radio and the TV affiliates of ABC, NBC, CBS, FOX and Time Warner have all done news stories on the garden. The Christian TV networks have also repeatedly covered the garden. CBN's "700 Club" aired a story on March 21, 2016, which was viewed by millions around the world.

In 2015, an estimated 94,593 people visited the spiritual art park. TCKF hopes to exceed 100,000 visitors in 2016. Numbers are tabulated by a Vehicle Counter, and a People Counter, which was donated by Sensource. They provide digital counters to the US Border Patrol, the US Park Service and major museums.

Tourists are driving and flying in from all 50 states and from around the world. As of this date, visitors from 58 countries have been documented. The largest attendance for a single day was an estimated 1,500 visitors, which occurred at the garden Dedication on September 13, 2015. Currently, the average attendance is 372 visitors a day, with the peak periods on the weekends. The free spiritual park is open from 7 AM to midnight.

Guests spend many hours at the meditation garden. The average visit is between one to two hours. The longest documented stay by an out-of-state visitor is 42 consecutive days. Some local people come to the garden almost every day, while many out-of-town guests have returned more than 20 times. Some fans bring bus and van loads of people to the garden, from across Texas and the USA. Large tour groups are now common. Several families have reported moving to Kerrville because the cross is on the hill! Three couples found their mates at the garden!

The Kerrville garden Tabernacle is affecting people like no other tourist attraction anywhere. Thousands of unsolicited good comments have poured in. Currently, a 154 page document of good comments is posted on the TCKF website. Unlike commercial theme parks, the special effects occurring at this tourist attraction are real!

## TOUR GUIDE CHAPLAINS

Hundreds of Christians have volunteered at the garden. Currently, 35 Tour Guide Chaplains from many denominations serve at the garden. Easily spotted by their red Servant's Aprons, these trained volunteers greet, answer questions, give tours and pray upon request. If your group is interested in a tour, please contact the TCKF at (830) 928-7774. Tours are free, but donations to help finish the garden are appreciated!

## “CROSSMOBILE”

In January of 2016, a unique little vehicle started traveling the roads of the Texas Hill Country, sharing the Good News of Jesus Christ. Used primarily to distribute brochures to local businesses, the eye-catching “Crossmobile” can't be missed!

In July, 92 year old Tour Guide Chaplain, Col. Bill Lewis brought his family to the garden to be blessed. Tourists have come from all 50 states and 58 documented countries.

On August 1, 2016 six more Tour Guide Chaplains were certified by Jeff Anderson (center) the “TCKF Fire Marshall” of the 35 volunteer TCKF Tour Guide Chaplains.

TCKF Administrative Director, Nancy Redhead, is the primary driver of the “Crossmobile”, which is used to distribute garden brochures across the region. The Smart Car was donated at cost to TCKF by John and Brenda Miller, owners of National Car Sales in Kerrville.

# “LIVING WATER BAPTISMAL FOUNTAIN”

On May 28, 2016, the “Living Water Baptismal Fountain” at the garden started to operate. Within hours, the first Water Baptism occurred! Now, people can be Water Baptized at the garden, after they have prayed to receive Jesus Christ as LORD and Savior. The Baptismal provides a written explanation of the three types of Christian Baptisms (Hebrews 6:1-2). This information is posted on a large plaque above the water, on the back of “The Coming King”® sculpture base. There is much confusion about Christian Baptisms. This plaque, written by Robby Carpenter, DDS and evangelist, Max Greiner, Jr., provides a clear, Biblical explanation, which can also be found on the TCKF website.

A 7' x 7' waterfall cascades down the front of the limestone base of “The Coming King” 25' tall bronze sculpture by artist, Max Greiner, Jr.

The “Living Water Baptismal Fountain” began operation on May 28, 2016. Water Baptisms began the same day. “The Coming King” bronze sculpture was donated by the Greiners and two anonymous donors from Houston.

## Doctrine Of Baptisms

Therefore, leaving the discussion of the elementary principles of Christ, let us go on to perfection, not laying again the foundation (1) of repentance from dead works and (2) of faith toward God, (3) of the doctrine of baptisms, (4) of laying on of hands, (5) of resurrection of the dead, and (6) of eternal judgment. HEBREWS 6:1-2

The Bible tells “The Doctrine of Baptisms” as one of the 6 foundations of the Faith. It is received by obedience. The first Baptism (by Jesus into the Holy Spirit) is received by faith, Spirit and Word(s) typically before Christians who are true believers.

The beautiful new fountain, with its 7' x 7' waterfall exists because God moved on the hearts of numerous generous Christians. First, Dean and Stella Tinnin, owners of Tinnin Water Well Drilling, donated the expensive deep well. Then, Bobby and Virginia Cason, owners of Mid-Tex Pump Co., donated the pumps and storage tank required to bring the water to the fountain and landscaping.

The new pump house/control room was donated by Jenschke Construction, Terry and Linda Forse, and Johnny and Judy Sharp. The electrical work was donated by Guadalupe Electric, owned by Johnny Flowers. Finally, the new water system would not have been possible without Joe Ed Jenschke, owner of Jenschke Construction. He donated the expensive trenches that were cut into solid limestone, on top of the mountain, for the water and electric lines.

Thanks to these generous followers of Jesus Christ, visitors can now enjoy the sight and sound of the "Living Water Baptismal Fountain"!

## LANDSCAPING

The garden now has many beautiful trees and plants, thanks to the new water system and donations of supporters. Several professional landscaping companies have donated their services, plants, trees and flowers for the glory of God. Robert Underwood, owner of AAA Landscape, and Billy Long, owner of Gardens At The Ridge, each donated their services. Paul Newsome, owner of Newsome Sprinklers, donated an electronic irrigation system for the top of the mountain.

Love Creek Orchards, owned by Bryan and Stacie Hutzler, donated 42 large Maple trees, which line the 300' cross-shaped garden, like columns in a cathedral. These beautiful trees have been named the "Found Maples" so tourists looking for the famous "Lost Maples State Park" will now come to Jesus at the Kerrville cross! Other mature hardwood trees were donated by Sam and JoAnn Watson, owners of Watson Tree Farm. Rick Martin, owner of Martin Landscape, also donated his work to help build the "Prayer Path" and install the custom engraved concrete Pavers, at the bottom of the garden. Tom Wren, owner of Rockscapes donated the red rocks that fill the cross planters in the 300' cross-shaped garden.

Many volunteers maintain the landscaping. They are led by expert gardener and TCKF Trustee, Kathy Lyles, who does an amazing job.

## NEW PLAQUE MONUMENTS

Visitors can now see many new plaques around the garden which explain spiritual truths, the locations of garden miracles and the scriptural basis of the artwork which was donated by Max and Sherry Greiner, Monte and Beverly Paddleford, and David and Michelle Broussard. The "Ten Commandments", the "Lord's Prayer" and the "Father's Blessing" limestone monuments are displayed near "The Empty Cross".

For many people, the scriptures displayed in the garden are the first Bible verses they have ever read. Remarkably, many visitors actually read every plaque and Scripture Tile in the garden! As a result, their lives are never the same, and the Kingdom of God advances! ●

Photo taken on 8/20/16 by Dr. Robby Carpenter

Construction at the garden continues as donations are received. The original, 300' cross-shaped garden was completed and celebrated with a Dedication service on September 13, 2015, Rosh Hashanah.

On July 22, 2016, a meeting was held by volunteers to discuss landscaping at the 24.5 acre garden. Kathy Lyles (center in blue) heads the TCKF Landscape Committee. Six professional landscape companies are donating their services.

Throughout the 24.5 acre garden, numerous plaques share scriptural truths and significant miracles that have happened.

# RECENT VISITOR COMMENTS:

*"My name is Helen Cantu. I live in Houston, TX. I have suffered from back pain for 15 years. I had two surgeries, but they did not work. I still was in pain. The doctor wanted to do another surgery, but I said no. Then, on May 30, 2016, my daughter and son-in-law took me to visit The Coming King Sculpture Prayer Garden. While there, I got a rock and put my prayer request on it. Then, I went to The Empty Cross and stayed in there, and prayed for my back to be healed. By the time we left there, my back pain had gone away. And, ever since then my back pain has left my body. God has answered my prayer. I can now do things I could not do before."*

Helen Cantu, Houston, TX

*"Spiritual. My husband and I are not really religious, more spiritual. We had friends suggest we go. So, one day out driving around we decided to see what people were raving about. When pulling into the entrance, you see a statue on left - Beautiful art work. As you're going toward the top, where the humongous cross is, the view is what helps you understand why it was placed there. There are many statues that are based on scriptures, I believe. On the ground, there are also written scriptures. There also are Prayer Stones where you can write prayers, blessing or whatever gives you hope, and an area to place them. Remember we are not really religious, but you get this feeling of belonging. Take time to see this, no matter your beliefs."*

*"You have something really unique. You have a place of holiness. You have a place that will bring the churches together like nothing else. The holiness aspect has to be preserved. This is an Apostolic work. The thing that is so exciting about this is that it can't be ignored. This needs to be replicated all over the country"*

Ted Beckett, Colorado Springs, CO

*"Truly Inspirational. The Coming King Sculpture Prayer Garden is a must do when you travel to Kerrville. Even if you are just passing through, take the time to visit. It is right off IH-10 and you can see the cross from the Interstate. You can easily spend an hour or two here and be completely at peace. Many people have left prayers, messages, names, etc. on the many rocks that you will see here. It was just simply amazing and my words here cannot describe the beauty and peace you will find here. Truly Inspirational!!"*

*"I can feel the presence of God there and know that it was God ordained. In a time when 62% of millennials are not in church, it is time for us to reach people with the Holy Spirit somewhere they are willing to come besides the church. God is on the move Hallelujah! At the rock garden I have personally written prayer requests for some major issues in my life and God heard them all, and handled them all. It is a powerful place and the world needs to experience it."*

Julianna Alff, Houston, TX

*"Shekinah Glory! There definitely is the Shekinah glory filling this place! From the beautiful sculptures to the giant cross to the pathways etched with scriptures in different languages--God's Spirit is sweet. People's prayers written on rocks and placed beside walkways lend a holy, sacred feel. The big surprise came when I stood inside the cross, read the sign and it said how I might see little pieces of glitter on my hands. I did!! So did my husband. We visited on Labor Day weekend last fall (2015) and I have had the glory glitter on my hands ever since (July 2016). It is only visible in sunlight or other bright lights. It was an answer to prayer that I had been praying--that God would pour out His Shekinah glory on me and my family. It has strengthened my faith and blessed me to no end to be able to tangibly see that God loves me and is with me."*

*"This cross, garden, sculptures and whole experience have made such a dramatic impression on my husband since we visited two years ago. I believe my husband gave his heart to the LORD on one of our five visits here. He was so profoundly moved as we viewed the cross in the moonlight, near midnight on our first visit, that we came back again two days later on our way back to Houston. Since then on every visit to this area we make it a point to stop by and visit. He feels especially close to the LORD in this place. Listening to the struggles and spiritual opposition you experienced in your efforts to build this place to the glory of God, I don't doubt that God has His special hand on this sacred spot. Thank you so much. God's blessings and benefits to you all, with gratitude."*

Sheryl & Louis Blazek, Spring, TX

*"God saved me from the horrors of active addiction and gave me a new life. I love this garden. I could feel the presence of Jesus with me. Please pray that no addict would need to die from the horrors of addiction. God, allow me to live in your will, and not in mine, and watch over my friends and family."*

*"On June 9, 2016, I came to The Empty Cross with a group of 18 people. I asked for prayers for my ex-husband who would be going to court June 14, 2016 and God granted my request. In November 2016, all of the false charges against him will be expunged. Praise the LORD! AMEN!"*

Anonymous, Hondo, TX

*"I love The Empty Cross and hope that it saves millions of souls and families. Thank you for building the greatest monumental, and symbolic art sculpture this world will ever be blessed with. AMEN!"*

# MINISTRY

One of the remarkable things about The Coming King Sculpture Prayer Garden in Kerrville, TX is that thousands of people are literally experiencing the power, presence, and peace of God for the first time in their lives. And, it is happening outside the walls of the organized church. It is happening in a garden. This is the "GARDEN REVIVAL!"

Thousands of tourists are learning about the one true God, not from preachers, priests, evangelists, books, websites, crusades, TV or radio shows, but from the Holy Spirit Himself, using the holy scripture, and Christ-honoring monumental sculptures, in a non-confrontational garden setting. God is using the eye to draw the spirit of man to Himself. This is an "out of the box" method of evangelism. This is "EYE-GATE EVANGELISM!"

There are 77 specially selected Bible verses in multiple languages, which present the full Gospel of Jesus Christ, from the Old and New Testaments to visitors; many of whom have never read the Bible. The 16" Scripture Tiles quietly present God's Word, in a 300' long cross-shaped garden, to tourists in a literal "Path To Salvation". Once inside the 7' wide center of the 77' open cross, pilgrims can read four large Prayer Plaques. These plaques explain Christian Salvation, Empowerment, Baptism, Healing and Miracles. There is no condemnation or judgement in the center of the cross, only mercy, grace and love!

The curious are being drawn off the highway by the Holy Spirit and transformed, to their surprise. People are being Saved, Empowered, Water Baptized and healed physically and emotionally, at the foot of "The Empty Cross".

Unlike typical churches, the Holy Spirit uses the non-denominational art park 365 days a year. People can also connect with God Himself, without going through another person. Visitors are finding God, in His free, outdoor garden Tabernacle, without having go through organized religion. God's garden is open every day to all people, from 7:00 AM until midnight. This is the "GARDEN REVIVAL!"

## EASTER 2016

During Easter 2016, Jesus Christ was magnified on His mountain by worshippers from many denominations. Over the four days surrounding the Christian holiday, 3,252 people from 27 states and four countries converged on Kerrville, TX to celebrate the Resurrection of Jesus Christ!

On Saturday, TCKF held a free "Resurrection Celebration" LIVE concert, from 11:00 AM until 6:00 PM, featuring six Christian bands, choirs and worship teams, from many churches across the region. Unity in the Body of Christ was evident when music groups, pastors and evangelists from different Christian denominations came together to lift up Jesus Christ, in word and song.

On Easter Sunday morning, 395 pilgrims braved the rain and darkness to attend the two hour "Son Rise Service." It included LIVE worship by Louada Raschke's "A Cross Generation Band", testimony by Max Greiner, Jr., and the Word was preached Jimmy Sportsman, Pastor of Kerrville Church of Christ. As a result, souls were Saved, people were filled with the Holy Spirit and several guests were supernaturally healed by God, after prayer. Signs and wonders of the Shekinah Glory dust (Isa 60:1) and the Angel Orbs (Ezk 1:15) also manifested that day.

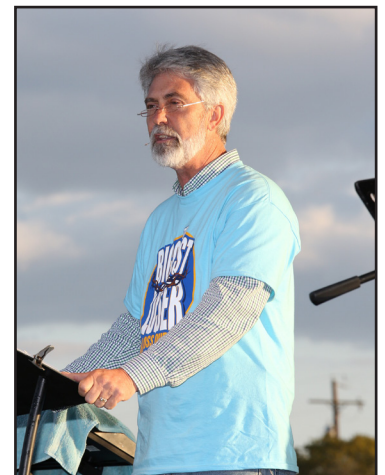

Over a hundred volunteers made the two day celebration possible, thanks to the coordination efforts of Jeff Anderson, of ServKerrville, and TCKF Trustee, Louada Raschke. Lives were changed forever at the 2016 TCKF Easter events. This is the "GARDEN REVIVAL!"

395 people arrived at the 2016 "Son Rise Easter Service" in the dark and rain. However, the rain stopped and a beautiful sunrise burst forth. People were Saved, Baptized, healed and sprinkled in the Shekinah Glory dust on the holy mountain.

On the Saturday prior to Easter, Christians from many denominations came together to worship Jesus Christ, at the foot of "The Empty Cross". Bands, choirs and pastors led the people in worship during the "Resurrection Celebration".

Rev. Jimmy Sportsman, Pastor of Kerrville Church of Christ gave the main message on Easter morning.

# TCKF RADIO SHOW

Saturday, September 3, 2016 marks the 87th weekly broadcast of “*The Cross At Kerrville*” radio program. The 30 minute show honors the Holy Spirit and His work at the Sculpture Prayer Garden in Kerrville, TX. Unlike other Christian radio programs, this show is about a place, not preaching or teaching. It features testimony, the amazing personal stories of people who have been touched powerfully by the Holy Spirit at God’s art garden. The Bible says that “by the word of their testimony, they defeated the works of Satan” (Rev 12:11).

The radio program idea came from professional Radio Producer, Roy Holley. For years, Roy tried to convince Max Greiner that he should do a weekly radio program about The Coming King Sculpture Prayer Garden. Finally, in November of 2014, Roy told Max that a time slot on Saturday morning had opened up on KSLR, the largest Christian station in San Antonio. Max agreed to pray with Sherry about the opportunity and began discussions with KSLR. However, Max was hesitant because he did not want to be distracted from his main mission for God, which was to build the Sculpture Prayer Garden in Kerrville.

To Max’s amazement, on December 4, 2014, God confirmed His will for the Greiners when they drove two hours to hear Dr. Mahesh Chavda preach in Austin, TX at Cathedral of Praise Church. Years before, on December 9, 2001, Dr. Chavda publically prophesied to the Greiners, who were strangers at the time, “*You will be involved in the restoration of the Tabernacle of David.*” (Isa 2:2, Amos 9:11).

Now, 13 years later, Dr. Chavda again publically prophesied over the Greiners at the service saying that God was about to do a “*new thing*” through them, “*on the side*” and that it was “*alright to do.*” Chavda did not know the Greiners were prayerfully considering the radio show idea, which could reach thousands of people.

The second confirmation came after the service, when old friend, Gene Bender, walked up to Max and said he just bought an Austin Christian radio station and was looking for a radio program about the Holy Spirit! Max and Sherry told Gene and his wife, Gayle, that they were considering hosting a show on the Holy Spirit’s activities at the Kerrville garden. The four prayed for God’s will, confirmations and provision, if they were to do a radio program on KTXW 1120 in Austin, and KSLR 630 in San Antonio. Max was uncertain, and needed another confirmation.

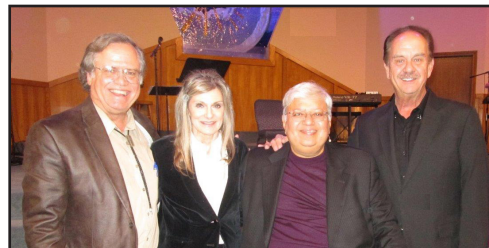

So, Max put out a spiritual “*fleece*” and asked God to raise up Sponsors to cover the cost of this new TCKF evangelistic outreach, if this was His will. Max did not want to use any of the funds that were donated specifically to build the garden.

Within a few days, to Max’s amazement, a couple from Impact Christian Fellowship in Kerrville, Gwen and Larry Burnes, said they believed that God wanted them to support the garden on a monthly basis, and also support a radio ministry! “*The Cross At Kerrville*” radio show answered both desires!

Max’s “*fleece*” was to simply cover the cost of producing the radio show, without taking any funds away from the TCKF building fund. By the grace of God, Sponsors for the weekly radio program suddenly appeared! When God gives a vision, He also gives provision!

Sponsors of the TCKF radio program have included Larry and Gwen Burns, Mamacita’s restaurants, the YO Ranch Hotel, Mark and Karen Greiner, the Storehouse Food Pantry in Austin, John and Brenda Miller, owners of National Car Sales in Kerrville, and Cathedral Of Praise Church in Austin, TX, pastored by Sue and Bill Hart. Max Greiner, Jr. Designs owned by Max and Sherry Greiner is also one of the show Sponsors. Please thank these Supporters when you see them!

Hundreds of true stories have now been recounted on the radio show by the Greiners and dozens of people who were touched by God at His Kerrville garden. “*The Cross At Kerrville*” radio program can be heard every Saturday morning on KSLR 630 and KTXW 1120. The inspirational programs can be heard anytime, from anywhere on the Radio Show Archives page, on the TCKF website. ●

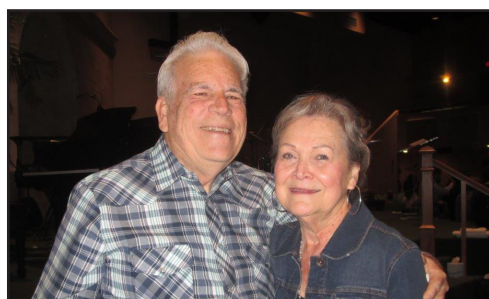

On 12/4/14, Dr. Mahesh Chavda prophesied at Dr. Bill Hart’s church that God had something “on the side” for the Greiners to do.

After the service on 12/4/14, Gene and Gayle Bender told the Greiners they just bought a radio station in Austin, KTXW 1120, and were looking for a Holy Spirit Show.

The first “*The Cross At Kerrville*” radio program was broadcast from San Antonio and Austin on 2/7/15. Roy Holley hosted the show with the Greiners. Herb Shackelford (Right) was the narrator.

Larry and Gwen Burns believe God called them to sponsor the TCKF radio show.

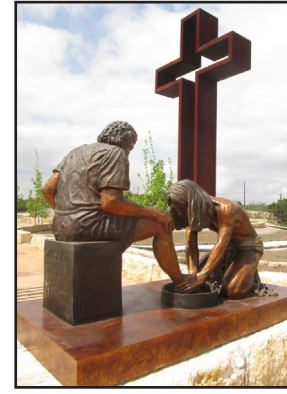

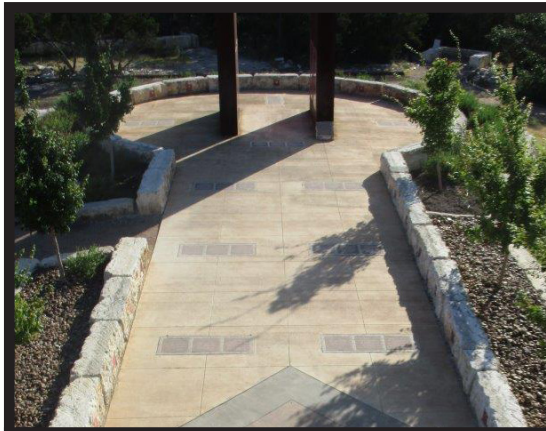

Roy Holley (left) produces “*The Cross At Kerrville*” weekly radio show with hosts, Max and Sherry Greiner. Founding Trustee, Becky Jones, (center) was the show’s guest on February 13, 2016. Becky went to Heaven not long afterwards.

The Sculptures featured in the 300' cross-shaped garden, were sculpted and donated by Max Greiner, Jr. for the glory of God.

Thousands of tourists are reading 77 Bible verses on 16" Scripture Tiles at the Kerrville Garden. Here, a young son reads the Bible verse to his father.

TCKF Tour Guide Chaplain, Ron Grisell, performed a Water Baptism shortly after the "Living Water Baptismal Fountain" was activated on 5/28/16.

## FRUIT FROM THE GARDEN

Jesus said to "Test the Fruit and the Root" to determine if something is genuine and good. If the Fruit (Lk 6:43, Gal 5:22) is good and the Root is Jesus Christ (John 15:1), then the work should not be opposed (Acts 5:38). No one can deny that the 24.5 acre garden in Kerrville, TX is producing really good spiritual Fruit in the lives of thousands of people. This is very good soil to sow good Seed (Mt 13:8, Mk 4:15). The Harvest here is incredible! And, it is happening 365 days a year! Your support is appreciated!

## THE GOSPEL IS PREACHED

Day and night, the Gospel of Jesus Christ is presented to thousands of people, using 16" ceramic Scripture Tiles, in a "Path to Heaven." Many people are reading the Word of God for the very first time. This visual presentation of 77 Bible verses from the Old and New Testaments, in a logical progression, is changing visitors forever (2 Cor. 5:17). Final editing of this anointed Gospel presentation was done by Dr. Robby Carpenter, a highly gifted pastor, teacher and lifelong theologian, full of the Spirit. God is using "Eye Gate Evangelism" to bring the un-churched to Himself, on a holy hill in the Texas Hill Country!

Thousands of people are being encouraged in their faith, Saved (Born-again) and Empowered (Baptized In The Holy Spirit). Now that the new "Living Water Baptismal Fountain" is open, thousands of guests will be Water Baptized. This is the "GARDEN REVIVAL!"

## THE SICK ARE HEALED

TCKF does not know exactly how many visitors are being physically and psychologically healed at the garden, since not everyone reports back to TCKF. However, we know that there have been many scientifically unexplainable physical healings, when Believers in faith, cried out to God the Father, in the name of Jesus Christ. Not everyone is healed, but many are. Some of the instant healings, were witnessed by dozens of people, including doctors.

Drug and Alcohol Counselor, Chris Daniel, and Linda Morris, President of Dodi Yavoh ministry, rejoice at the instant healing of Susan Dove, who was healed at the Easter Service of an eye condition that caused multiple images in her vision.

On 7/10/16, Steve and Susan Casey from Austin brought their relatives to the garden, and were all sprinkled with the Shekinah Glory dust, to their amazement!

On 5/25/16 an amazing miracle occurred as volunteer gardener and TCKF Trustee, Kathy Lyles pulled weeds at the garden. God suddenly covered the ground 7' around her with thousands of Shekinah Glory dust particles! A San Antonio scientific labs could not determine the nature of the glitter like substance. It was the Shekinah Glory!

On 4/30/16, a group from Aglow International and their guest speaker, Bill Yount, received prayer from Max Greiner Jr., and the entire group was instantly sprinkled with the Glory dust.

Emotional healing is also happening frequently at the garden when victims pray the prayers on the four large plaques inside the cross. As of this date to our knowledge, at least 21 people have canceled their plans for suicide. TCKF also knows that drug addicts, alcoholics and the sexually abused have been wonderfully healed at the garden, many after years of unsuccessful counseling.

## SIGNS & WONDERS FOLLOW

The Bible says Jesus is the same forever (Heb. 13:18). If He ever worked miracles, He still does! Jesus said to believe on the evidence of the miracles (Jn 14:11). The Bible also states that with faith in God, nothing is impossible (Lk 18:23) and that Signs and Wonders would follow those who believe (Mk 16:17).

Literally, thousands of miracles, signs and wonders have happened at God's garden. (Visit the TCKF websites to see written, video and audio documented accounts from hundreds of people who have personally experienced the supernatural miracles of the Holy Spirit at the Kerrville garden.)

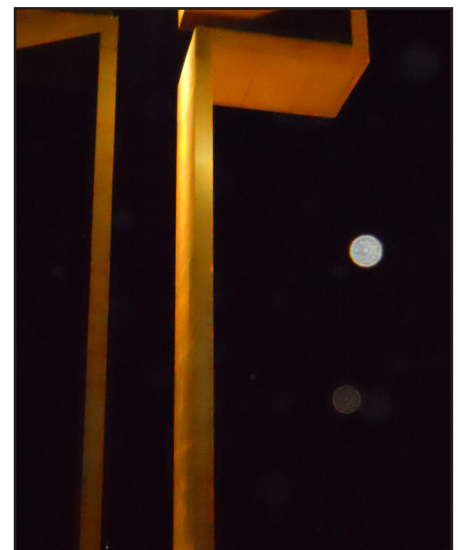

For thousands of years, Believers in the God have asked the LORD to show them His glory, and His angels. It is happening now at the garden Tabernacle in Kerrville. These supernatural manifestations are also happening to millions of Christians, of all denominations, across the entire face of the earth. We are in the last days. The power and Gifts of God are returning to His church! (1 Cor 12:1) ●

On 6/10/16, Freddie Morrill (Left) from Corpus Christi, TX and Jean Eastes were sprinkled with the golden Glory Dust, after Freddie prophesied that God would use His garden to touch thousands of people from around the world.

On 4/14/16, out-of-state tourists experienced the Glory dust miracle near the front entrance, almost 1/2 mile from the cross!

Strange balls of light believed to be the angels (Ezk 1:15) are frequently photographed at night near the giant cross.

## Plant A Tree At The Garden!

The Bible says Jesus was nailed to a tree, the cross. TCKF supporters, Sam and JoAnn Watson, owners of the Watson Tree Farm in Fredericksburg, TX are again making a limited time offer to TCKF supporters, like they did earlier this summer. The Watsons want to provide free, large 800 lb. hardwood trees to the garden, to be planted this winter. This is so garden visitors can have shade and more beauty at The Coming King Sculpture Prayer Garden in Kerrville next spring.

So, between now and December 31, 2016, the Watsons will donate a mature tree to the Kerrville garden, if you purchase a similar tree, at the normal price. This "Two For One Sale" allows the Watsons to provide needed trees to TCKF. For more information, please contact: Sam Watson, Watson Tree Farm, (830) 644-2616. Thank you for making the LORD'S garden more beautiful, while providing a native tree that can last a hundred years! Email: [watsonfarms141@wildblue.net](mailto:watsonfarms141@wildblue.net)

Sam Watson will donate a mature hardwood tree to the garden for each tree purchased by a supporter before 12/31/16.
