THE CHURCH OUTSIDE THE WALLS

By Max Greiner, Jr., TCKF Chairman

The year 2020 has been tumultuous for all of us. I thought it odd when our TCKF Executive Director, Debbye Meszaros, prophesied to me in November of 2019 that our upcoming Easter Services would not be as we expected. Then, she announced to the entire Board that: *“2020 would be a RESET YEAR. It would be a year of MONUMENTAL highs and MONUMENTAL lows.”*

Many modern-day Christian prophets proclaimed that a crisis was indeed coming to America and the world. Some predicted the virus pandemic, the economy crash, civil unrest and violent riots. Pastor David Wilkerson also “saw” empty, abandoned streets in New York City.

TCKF Easter celebrations, which normally attract visitors from across

Texas, the USA and the world were canceled for the first time in our history. This was also the first time since the Jewish Passover (documented in the Book of Exodus by Moses) that

“ This is a ‘RESET YEAR’ It will be a year of MONUMENTAL highs and MONUMENTAL lows. Highs like we have not had in any other year and lows like we have not seen in any other years.”

~ Debbye Meszaros

people sheltered in place across the entire world. Public and religious buildings were forced to close due to

the worldwide Coronavirus pandemic released from China.

However, one place never closed: THE COMING KING SCULPTURE PRAYER GARDEN in Kerrville, Texas. TCKF Trustees unanimously voted to keep our free outdoor spiritual park open during this very stressful time in American history, if not forced to close by government officials. The Garden remained open, but we implemented safety precautions.

Houses of worship were closed across the world, but not God’s Garden. The way to the cross remained open. Back in August of 2002, God gave me a vision of an open-air, spiritual art park filled with scripture, where all people could find and worship Jesus Christ. This would be a “church without walls”. In the last part of my vision, I saw cars

Continued on Page 2

backed up on an interstate highway access road somewhere, not able to enter due to the large crowds. My “open vision” is recorded in Chapter 2 of my new book, “THE GARDEN”, which documents the Garden’s history.

Park visitor numbers actually increased during 2020, as distressed people flocked to “THE EMPTY CROSS” for solace. In March of 2020, as the worldwide shutdown began, approximately 8,081 people visited the art park. 8,866 folks arrived in April. Then in May, numbers jumped to 12,685! Tourism increased to 13,023 people in June. July saw an estimated 13,361 guests. August welcomed 14,113 sojourners. In September, an estimated 14,321 pilgrims found their way to God on His Kerrville holy hill.

TCKF counted 8,554 vehicles that reached the top in October of 2020, with an estimated 20,259 Garden guests. However, this total does not include the cars that were parked along Hwy 16 (Sidney Baker) which were unable to enter the Garden on October 5th. An estimated 6,000 people ascended the 1,930’ hill to attend the free, Sean Feucht Worship Concert that Sunday afternoon! As a result, the total estimated visitors for October 2020 is 22,240! The official

population of Kerrville is 23,792 people!

Sean Feucht held his 34th prayer concert (during 2020) at the Kerrville Garden. God “called” the 36-year-old California evangelist to hold outdoor “worship protests” at the locations of previous riots across America. Kerrville was the exception and smallest city visited by the worship leader. TCKF presented Sean with my full-size steel “SWORD OF THE SPIRIT”[®] sculpture. During the presentation, I proclaimed “Revival in the land” and prayed blessings over Sean’s family and team. The 24.5-acre Garden has been a “launchpad” for thousands of ministries and individuals.

Only God knows how many people were on His Kerrville mountaintop Sunday afternoon, October 4th, but it was a lot, possibly as many as 7,000 souls! We know there were hundreds of Salvations and more than 300 Water Baptisms. By the grace of God to our knowledge, no one contracted the COVID-19 virus at the Kerrville worship concert. I was later told by a Feucht team member that to their knowledge, no one had acquired the deadly virus at any of Sean’s worship events. God is good!

On October 4th we learned there is always room at the cross! TCKF also

learned there was not enough onsite parking! Sherry and I intentionally arrived late at 4:00 PM, so we could photograph all the cars parked along both sides of Benson Dr. Vehicles filled the Cecil Atkission Chevrolet car lot property (with permission) and the nearby mobile home park, all the way to both IH-10 overpasses! Cars were parked north toward Fredericksburg and south back into Kerrville, as far as the new Hobby Lobby store on Hwy 16 (Sidney Baker)! We were told that for a short while, IH-10 itself was backed up at Kerrville’s Exit 508! We witnessed entire families walking up our 1,930’ hill to worship Jesus Christ, at the foot of “THE EMPTY CROSS”!

This year, as historic American statues were torn down and the world sheltered in fear of riots and the pandemic, thousands of Christians ascended God’s holy mountain to worship to Jesus Christ - the Messiah, the Lion and the soon coming King! Plus, with the help of our Christian friends and TCKF, we donated the #1 “LION OF JUDAH” bronze casting to the people of ISRAEL, as a gift of love from American Christians. The majestic statue was installed by the Jerusalem Municipality in Bloomfield Park on May 5, 2020! Thank you for making all this possible with your prayers and gifts.

“I WANT TO PERSONALLY INVITE YOU TO EXPERIENCE THE POWER AND PRESENCE OF ALMIGHTY GOD AT THE KERRVILLE GARDEN!”

EXECUTIVE DIRECTOR’S VIEW

By Debbye Meszaros

What an amazing season of the Holy Spirit’s presence in the garden this monumental year of 2020!

The sequence of the Lion of Judah’s installation, followed by the Rosh Hashanah celebration, the repentance simulcast event of the “The Return” and then the “Let Us Worship” event featuring Sean Feucht is releasing a new spiritual fire in the Texas Hill Country. In the fall of 2017, I had an impression that when the Lion of Judah sculpture was placed in the TCKF garden, “there would be a revival river of God’s refining fire that would sweep thru Kerrville, Texas, the Hill Country and beyond.” Since that moment, 2 “Lion of Judah” bronze sculptures by Kerrville’s own Max Greiner have been created and placed – the first Lion has been sent and installed in Jerusalem, Israel on May 5th, 2020, and the second Lion was installed here at the Kerrville Garden on August 28, 2020. Even though many miracles have already occurred here at the garden, I believe the best is yet to come.

“The Lion’s roar is calling His people to Himself, and we respond in worship to the most High King! These series of events has sparked an opportunity for the Holy Spirit to refresh, restore, revive and bring healing to those who are lost, weary, anxious, and confused ... opening up an expression of awe while discovering the fullness of new life in Jesus Christ. I Hear the LORD saying come with EXPECTATION of the Holy Spirit pouring out fresh oil and fire on all! Jesus is the Lion of Judah, and He says “COME!”

GREAT THINGS ARE HAPPENING AT THE EMPTY CROSS!

By Darcie Mosier, TCKF Treasurer

Now more than ever, we are so grateful for the community that has funded, volunteered, celebrated, and advocated for The Coming King Sculpture Prayer Garden through the years. At a time when everything feels uncertain, we find comfort and encouragement knowing that you continue to partner with us. While much of the world has stopped, our mission of bringing glory and souls to

Jesus Christ will not be placed on pause. The Garden did not close for even one day during these unprecedented times. We do count on your donations to continue to bless the Garden. Since it's inception, the Garden has been built on faith in God without any debt. Pavers and Prayer Benches are a lasting way to sow into good soil!

PAVERS

Order a concrete Paver for yourself, your church, your business or as meaningful gifts for others! These concrete Pavers (priced from \$50 to \$1,000) will be on permanent display in The Coming King Sculpture Prayer Garden in Kerrville, TX forever. Pavers can be custom engraved and will be placed in the pathways and gardens in the order they are received. These lasting memorials are a wonderful way to honor a person, family or institution.

PRAYER BENCHES

Dedicate a \$777.00 Prayer Bench to a loved one, family, friends, spiritual mentors, your church, your pastor, your priest or the LORD. Hundreds of 5' long, massive, 1.25 ton stone blocks surround the 300' long cross-shaped garden, at the top of the mountain. Each rugged stone block functions as a bench for visitors. A personalized, 6" x 6" metal plaque is attached to an 8" x 8" paver block, which is then permanently inserted into the limestone block. Depending on the amount of text on the custom plaque, there may be room for one, 2 1/4" x 3" color photograph.

LION OF JUDAH – KERRVILLE INSTALLATION & DEDICATION

On Friday, August 28, 2020, another milestone was reached at THE COMING KING SCULPTURE PRAYER GARDEN in Kerrville. Longtime great friends, Monte and Beverly Paddleford, owners of EAGLE BRONZE in Lander, WY accompanied our Lion to Kerrville. On Friday morning, August 28, Monte began the four-hour installation process required to place our donated "Artist Copy" life-size (105%) bronze sculpture on its massive limestone base. It was placed in the center of the "LION OF JUDAH FORTRESS" overlooking IH-10 and Kerrville, with "THE EMPTY CROSS" in the background.

Monte was assisted by TCKF staff, Buddy Bell and Joshua Rodriguez. Mike and Liz Scheineman, owners of MIKE'S CRANE, again donated their services to lift another bronze sculpture onto its pedestal at the Garden. The pedestal was built according to my designs by Mike Kuhn of JENSCHKE CONSTRUCTION, owned by good friend and donor to the Garden, Joe Ed Jenschke. When TCKF raises enough money, the stone base will be surrounded with bronze plaques featuring the Ten Commandments, names of God and other scriptures

Prayer was offered by President Weldon Baker, Trustee Susan Casey, and Exec. Director Debbye Meszaros. Susan and Debbye also anointed the Lion sculpture with a special anointing oil, containing 7 spices, from 7 countries, on 7 continents.

The Dedication service started official dedication that evening started with the blowing of the ancient Jewish trumpets, called Shofars. Prayer and thanks were offered by President Weldon Baker and Executive

Director Debbye Meszaros. Then Debbye declared that Revival in American was beginning with the revelation of the "LION OF JUDAH".

Next, I climbed up on the lion statue and held up the original, 17" cedar cross that I lashed together and planted in the ground on September 16, 2005 on Garden property. As I held the same wooden cross, I poured a 2nd bottle of oil over the lion's head. Then in a symbolic gesture, I emptied the second half of the original bottle of water poured on the cross in 2005. I had saved this water for the last 15 years, which had been taken from Jacob's well in the Holy Land. This prophetic gesture completed my vision, which began on December 9, 2001! The installation of the "LION OF JUDAH" statue was finished!

Beverly Paddleford shared the rich spiritual symbolism of how my delicate original clay lion sculpture went through the long and difficult casting process. Molds were made and eventually molten bronze was poured into ceramic molds. Once cast into indestructible bronze, the metal was beaten and cut (scourged) before the bronze sculpture was revealed at the end of the intense creation process. Beverly explained how Jesus, Yeshua came to us as a fragile lamb, like my delicate clay sculpture. He then went through the painful process where Yeshua was finally revealed as the LION OF JUDAH! Beverly noted that the impression of the Lamb was in the Lion, and the impression of the Lion was always in the Lamb!

It was a beautiful time of celebration, with over 100 people present.

ROSH HASHANAH/FIRE AND GLORY NIGHT

Text provided by Louada Raschke Ministries

What an honor and joy it was for Louada Raschke Ministries to hold our Rosh Hashanah Fire & Glory Night at the Empty Cross. The crowd was estimated at 250-300 people. It was amazing to see the hunger for the presence of the Lord as people came together at the top of the mountain and began to enter into Praise & Worship. They traveled from as far as Oklahoma, Laredo, New Braunfels, Seguin, San Antonio and of course Kerrville and the surrounding area that we know of. As I stepped up to the podium to deliver the message the Lord had given me, the power of God and anointing to minister the Word came so heavily on me, I began to physically shake. The presence of the Lord was incredible.

We had a team of Prayer Ministers who prayed for the personal needs of many at the end of the service. This personal prayer led to many being filled with the Baptism of the Holy Spirit with evidence of speaking in tongues, and several water baptisms. We also had a woman set free and delivered from demonic possession. She confessed Jesus as her Lord and had both a water baptism and the baptism of the Holy Spirit.

Three young men ranging from 15-26 were water baptized as a direct result of the service. While ministering to those from the service, another family came to the Cross. One of the men in the family came over where we were. The Lord gave me a prophetic word for him. He was very drunk at the time. He cried out to the Lord for Salvation, and asked to be water baptized. When he came up from under the water, he was sober and in his right mind. God is so good. The night was a mighty testimony of the power of God and of His goodness. We give Him all the GLORY for what He did!

THE RETURN SATURDAY

This event with Pat Robertson, Jonathan Cahn and others was held in Washington DC, while Franklin Graham’s March for America was happening at the National Mall. The 12 hour LIVE event was streamed around the world and to the Kerrville Garden amphitheater on a large TV screen. This prayer intercession event for our country included millions of Christians across America praying at the same time that Biblical righteousness is restored to our nation and leaders. The decay of American society is obvious to anyone who has eyes to see. Our nation must RETURN to God before it is too late. He calls His children to pray and act. Stand up now for Biblical righteousness and vote!

TGC FIRE MARSHALL REPORT

by Matt Tykila

We’ve had a very busy time these past several months among the Tour Guide Chaplain cadre. First of all no less than six new people became official TCKF Tour Guide Chaplains! They come from all walks of life and have jumped right in serving at the Garden already. I’ve teamed them up with seasoned mentors to guide them on their way to honing the Tour Guide side of their skill sets. These new soldiers for the Kingdom include Robert Mallard, Steve Appling, Pam Holland, Margaret Wood and Hershel Reid

We also had a farewell for a longtime TGC, Jim Musso, who recently departed for Colorado. He will be missed!

Lastly, at the recent “Let Us Worship” massive event, the TGCs showed up in force to help serve the thousands of guests by baptizing, answering questions about the Garden’s history, and praying for their needs. We can all be proud of their selfless service to Jesus in meeting His people at their most vulnerable and being Christ’s hands and feet to the thousands that attended this historic event.

“Standing at the top of the hill where the shuttles were dropping off people, but also where so many people were arriving after walking up to the top of the hill, as I congratulated one lady that she’d made it, she said, “I just kept thinking to myself - “That would have been much harder carrying a cross on my back.”

Pastor David Danielson

LET US WORSHIP – Kerrville Christian Community Comes Together in Unity

The idea of inviting Sean Feucht and his five member worship band to Kerrville was a dream of Kerrville landscape contractor, Lonnie Goodman and his 15 year old daughter Kiley Goodman. Kiley and her friend Brooke Simpson were 14 when they first got a vision of revival in Kerrville while on a mission trip to Peru. When asked why Goodman wanted the California worship leader to come to Kerrville, Goodman responded:

“I wanted to bring Sean Feucht to Kerrville to unite the community with worship while standing up for a move of God. To stand up for what this nation was founded on and that is faith in God. So, Let revival come!”

After praying, Goodman shared his ambitious idea with David Danielson, pastor of Impact Christian Fellowship located in Kerrville, TX. Danielson is also the former president of the Kerr Ministerial Alliance and one of the seven founding Trustees of TCKF. Goodman secured the support of the following churches from Boerne to Ingram, to underwrite the free worship event at the Coming King Sculpture Prayer Garden:

After the event, Pastor Danielson commented: Sunday, October 4, 2020 was such an amazing night up at the Cross. To see over 5000 believers from all over the region coming together to worship the Lord was so encouraging. God is doing something special with Sean Feucht in this important season of our nation’s history, and I am grateful to the Lord for opening the way so that Kerrville was one of the 40+ cities where

God led Sean to minister. The event itself was such a blessing - the togetherness, the worship, the baptisms, the salvations and rededications - and I believe it was another spiritual step forward for our community. It was another beautiful opportunity to taste and see the goodness of the Lord that comes with His commanded blessing when we openly gather together as the Body of Christ.
